Trucking Official, Orindans to Confer

Problems in connection with the heavy trucks traveling on Mt. Diablo Boulevard during peak hours are slated for further discussion at next Monday night's meeting of the Orinda Association Board of Directors.

This was virtually assured today when Zach Montgomery, chairman of the association's Civic Affairs Committee, announced that Paul W. James, assistant manager of the San Francisco office of the Truck Owners Association of California, had accepted an invitation to attend the board meeting.

James was unable to attend last Monday night's Civic Affairs meeting because of illness. Much discussion occurred at that session regarding the problem, and when Montgomery told James of this discussion, James expressed a desire to meet with the association board.

JAMES ALSO TOLD Montgomery he would try to bring an official of the Seaboard Transportation Company with him.

The directors' gathering will be at 7:30 at Orinda Grammar School.

Civic Affairs delegates reported Monday night, at their meeting at the school, that after a couple of days in which Seaboard and J. A. Nevis Transportation Company trucks had apparently been rescheduled away from peak morning and evening hours, the truck situation seemed to have reverted to its former status.

H. H. LOWTHIAN of 5 Overhill Court, owner of the Lowthian Truck Line, which hauls between Oakland and Los Angeles, outlined problems of truck operators and drivers for the delegates. He appeared at invitation of Chairman Montgomery.

The truck operator or owner is very much interested in the good will of the community," Lowthian said. "But one thing that the Orinda Association must bear in mind is that the truck operator has obligations which he must meet."

HE POINTED OUT that such details as whether the operator has Interstate Commerce Commission runs, his commitments to his customers or consignees and his contracts with labor unions are important factors which must be taken into consideration.

"Common road courtesy," he said, should prohibit the passing of trucks by one another.

ORINDA SUN

Vol. IX, No. 2 — Lafayette — Orinda, California — Friday, March 23, 1951 — TEN CENTS

'NOW, OUR TOWN' . . . You can take your pick about who is saying what about which town, but in any case it has to do with the current Red Cross financial campaign in Lafayette and Orinda. Mrs. John Fry (left), Lafayette drive chairman, and Mrs. J. M. Rodwell, Orinda drive chairman, are talking over plans and perspectives at Mrs. Rodwell's home. Chances are neither revealed any special success-formula secrets to the other, but it seems that both are quite confident the people will respond generously. —SUN photo by Mattson.

Civilian Defense Takes Real Shape as Orinda Demonstrates Keen Interest

First of the seven sectors in the south zone of Orinda's civilian defense setup to complete its block warden organization is Sector 4 (Moraga Meadows), Zone Warden Marvin Bonds announced today.

Some 10 block wardens have been picked by Sector Warden Allen Ayres and his assistant, Thomas Reese, according to Bonds.

All the wardens for that sector were sworn in by Bonds last night at Ayres' home at 302 Overhill Road.

WITH SELECTION of Calvin Hagstrom, 9 Valley View Drive, as deputy sector warden for Sector 5, the sector and assistant sector warden organization south of Mt. Diablo Boulevard is complete, Bonds said.

W. R. Arends is sector warden for Sector 5, which includes Moraga Woodlands, Lost Valley and Moraga Knolls.

All eight sectors north of Mt. Diablo Boulevard, where E. F. Hockenbeamer is zone warden, have their wardens and deputy wardens.

ALMOST 175 persons attended the community meeting on civilian defense held under Orinda Association sponsorship Thursday night of last week at Orinda Grammar School auditorium.

Director George Burton of the Contra Costa County Civil Defense and Disaster Relief Council discussed the various aspects of civilian defense, explaining how they were related to one another.

HOCKENBEAMER recounted what had been accomplished in the setting up of a warden system, and Bonds outlined work to be done, stressing the need for block wardens. Several persons signed up for block warden duty.

Schools Superintendent Joseph L. Sheaff explained what was being done at the schools in preparation for disaster, going into some detail on air raid drills for pupils. He emphasized that in case of such an emergency situation, parents should not come to the schools, since the teachers are being trained in proper action. Safest thing to do, he cautioned, would be for the parents to remain home.

President Kirk Miles of the Orinda Association presided at the meeting.

QUESTIONS asked by the audience revealed a lively interest in the subject. Most of the questions were answered by Burton.

Some of the questioners wanted to know what sort of warning system would be set up. It was explained that this is not certain yet.

Others asked if there would be blackouts, as in World War II. The answer was that there probably would not be, since modern radar bombing made blackouts ineffective.

Another query was: Will the radio stations remain on the air in case of a bombing? The reply was that they probably would.

Red Cross Drive Nears Half-Mark In Funds Raised

Expressing confidence that the halfway mark of the community's $8,585 goal in the current Red Cross financial drive would be reached by the end of this week, Mrs. J. M. Rodwell, drive chairman for Orinda, announced today that 18 more volunteer workers had completed canvassing of their areas.

These are:

Mesdames Kenneth Courtright, Ernest Drews, G. Tinkham and Lindsey Spight in Orinda Park Terrace.

Mesdames Howard Kisner, Dwight Chapman, J. W. Lamberth, George Russell, Challiss Gore, B. S. Howard, R. W. Schacht and Dudley Parker in Hacienda Homes.

Mrs. John Barchfield, chairman, and Mesdames Bruce Anderson, A. Harmon and A. Lange in the Cotton Tract.

Mesdames W. H. Mordy and Thos. A. Moore in Moraga Estates.

Mrs. Rodwell expressed appreciation of the "splendid work" by the canvassers and the cooperation of the community, and for the activity of Mrs. Ambrose MacDonald, chairman of the local telephone committee. Mrs. MacDonald is assisting Mrs. Rodwell in keeping in touch with the corps of workers by phone.

Rites Held for Clarence Hards

Funeral services for Clarence A. Hards, 77 Hillcrest Drive, were held Tuesday afternoon at the Chapel of Memories, Oakland. Hards, 61, died in a San Francisco hospital last Saturday.

A member of Alpha Lodge No. 212 F. and A. M., of Everett, Wash., Hards was also a member of Everett, Washington Scottish Rite Bodies and Niles Temple A. A. O. N. S. of Seattle.

Survivors include his widow, Joy F. Hards of Orinda; two children, John A. and Billy C. Hards; two sisters, Mrs. Ruth Morgan of Lake Bay, Washington, and Mrs. Pearl Christilaw of Tacoma, Wash., and a brother, Dr. H. J. Hards, also of Tacoma.

Hards was a native of South Dakota.

Hearing on LID

A protest hearing on Central Contra Costa Sanitary District's establishment of Local Improvement District No. 22, Sleepy Hollow area, was slated to be held at the District office in Walnut Creek last night as the Sun was going to press.

Orinda Symphony May Be Organized At Friday Meet

All interested musicians have been invited to attend the initial organizational meeting for formation of an Orinda Little Symphony next Friday at Orinda Community Church, 7:45 p.m.

So far, 40 musicians have indicated their enthusiasm about such a project, some of them from the University of California Symphony and others from throughout the county.

The symphonic group is proposed for the benefit and enjoyment of musicians and other music lovers.

Dan Popovich, a member of the Fresno Little Symphony and well-known as a teacher and musician, will lend his experience in the organization. Oscar Busch, known for his musical direction of groups in this area, will also assist.

Sheaff Proposes Ramp from School For Pupil Safety

Because San Pablo Creek Road traffic in the vicinity of Orinda Grammar School makes hazardous the use by pupils of the path along the east side of the road, Schools Superintendent Joseph L. Sheaff has asked permission of the Orinda Association for construction of a ramp leading toward the Village.

Sheaff's request was reported to the association's Civic Affairs Committee Monday night by Zach Montgomery, committee chairman. The committee met at Orinda Grammar School.

THE PROJECTED ramp, Montgomery explained, would lead from the end of the school playground to Community Center property and would enable students to walk in safety almost to the Village.

Louis B. Ambler, Jr., asked what would be the status of responsibility in case of injury to school children in the vicinity of the proposed ramp.

"I don't know," Montgomery replied. "That would have to be clarified."

AMBLER declared that this was the most important point to be considered in the matter.

Montgomery said Sheaff would probably be at next Monday night's meeting of association directors at the school with his plans, and that the subject could be more thoroughly discussed then.

Watson to Address Real Estate Dinner

D. D. Watson, state real estate commissioner, will address the monthly dinner meeting of the Contra Costa Real Estate Board at the Acapulco next Thursday night. Dinner will start at 6:30, and a question-and-answer period is scheduled after Watson's talk.

Nicklas at Convention

Walter Nicklas, 200 Moraga Highway, traveled to Seattle to attend a convention where mechanical equipment is to be exhibited. He made the trip by a commercial plane from the Oakland airport.

Ah, Wonderful, Wonderful Spring!

Notice the difference in the air? It's springtime in Orinda!

Of course, there are rumors that the season opened in several other localities at the same time, but it couldn't possibly be as wonderful as it is here.

Everything the past week has pointed toward a beautiful new season—except the weather. Hard to please? Wel-l-l, 71 degree high the 17th and 19th was a nice sample. Just to let us know that winter hasn't been left so far behind, the weatherman let us have a 30 degree low the 17th.

No rain for the past week, though, that's some improvement. And if only the weather department can restrain its Puckish instincts and refrain from dousing us with dampness on Easter—Uncle Wiggily will be able to place each little Easter Egg gift cozily in outdoor nests without danger of their floating down to the Village or the Crossroads.

Return X-Ray Visit Scheduled

Return visits here of the county-wide free chest x-ray survey are scheduled for the first week of April, according to Mrs. Lenore Crane, assistant executive secretary of the Contra Costa Public Health Association.

A unit will be stationed in front of Lafayette Pharmacy April 5, 6 and 7. Another will be at the corner lot across from the American Trust Company on Moraga Highway in Orinda April 6 and 7.

Blood Bank Next Thursday Is OK; Will It Be Okay?

"Operation O.K.," is set for next Thursday.

Thtat stands for Orinda-to-Korea, which is the route destined for blood which will be donated by Orindans when the mobile unit from the Stockton Blood Center will be at Orinda Community Church from 10 a.m. to 4 p.m. that day.

It also stands for okay, which is what Mt. Diablo Red Cross Chapter officials hope will be the result of this Blood Bank day in Orinda.

Mrs. A. D. Blalock and Mrs. Ed Friedland have been heading an intensive telephone campaign in the community, urging people to come to the Blood Bank on the 29th and donate a pint of blood for our wounded servicemen.

Mrs. Donn Court of Lafayette, blood program recruitment chairman for the chapter, urged a big turnout. "The blood is urgently needed," she declared.

"Eat a hearty breakfast or lunch, or both, but avoid fatty foods before your Blood Bank appointment," advised Mrs. Arthur Wagstaff, chapter blood program chairman.

C of C Discusses Advisability of Paid Secretary

General agreement that the services of a paid secretary on at least a part-time basis would mean accomplishment of many important Chamber projects was one of the features brought out at the general membership round-table discussion held Tuesday night by Orinda Chamber of Commerce.

Bill Worden, president, pointed out that officers and directors of the merchant group are typically busy business people and haven't sufficient time to devote to the mass of detail that goes into chamber work.

FRED JACOBSON, manager of the Central Coast Distirct of the State Chamber of Commerce, served as moderator at the discussion. The first general meeting was based on ways and means of making the chamber a more effective organization to further the welfare of Orinda and its business community.

Jacobson agreed with members present that large firms doing business in Orinda, such as dairies and cleaners, should be invited to join the chamber. He expressed an opinion that this, plus an active membership drive among Orinda merchants, would strengthen the chamber considerably.

THERE WAS DISCUSSION on establishing an association membership plan for individuals in Orinda who would like to join the group.

Ramsay Underwood and Herman Silverman discussed a proposed increase in annual dues, to be based on a sliding scale. The scale would be based on the number of employees in the member firm.

RECOMMENDATIONS made at this session will be taken up at the next Board of Directors meeting, Worden said.

Clarence Betz announced at the session that the site for the proposed bus shelter has been graded and plans for the structure are now at the blueprinters.

Park Pool Quota Almost Filled

The Orinda Park Pool membership quota is about filled.

For those who have not applied to date, it is suggested that they do so immediately. Because of the limited memberships and rapid growth in Orinda population. the Board of Directors does not anticipate accepting any applications from outside the specified Orinda area.

Civic Affairs Committee Wrestles With Old Foe—Need for Betterment of Roads

Civic Affairs Committee members grappled again Monday night with a problem described by Chairman Zach Montgomery as "one of staggering proportions"—the old problem of county roads in Orinda.

Springboard for the discussion was Montgomery's report on the special Civic Affairs meeting on roads, held March 5. At that session presidents and delegates from neighborhood improvement clubs had presented road problems in their areas.

MEETING AT Orinda Grammar School Monday night, the Orinda Association group, after considerable discussion, came up with two actions:

1.—Decision that the full report of the March 5 meeting, including the problems and needs brought out there, be ready for the meeting of the association board next Monday night. The board meeting is set for 7:30, at Orinda Grammar School.

Hope was expressed by Montgomery that Supervisor Jack Cummings and County Surveyor Joseph Barkley could be present at the next meeting of the Civic Affairs Committee, April 16, for discussion of these road problems.

"MAYBE the board could meet with us at the same time," he added.

Civic Affairs delegates pointed to the need for speed, so as to see that requests are made in time for inclusion in 1951-52 county budget calculations.

2.—Decision that, while eager to cooperate with the Diablo Highway Improvement Federation on problems regarding the state highway and secondary roads, the group wished to maintain its own responsibility on efforts to obtain repair and maintenance of smaller county roads in the community.

A motion expressing this sentiment and requesting the Orinda Association directors to go on record in that vein and to inform the highway federation of the attitude was made by Harold E. Rote and was unanimously passed.

It was recalled that the improvement groups represented at the March 5 meeting also felt that problems of smaller county roads should be treated here as local problems, rather than be referred to the highway federation.

Downs Secretary Of Civic Affairs

Joseph Downs was named secretary of the Civic Affairs Committee of the Orinda Association and delegate-at-large to the committee Monday night. He assumed his duties at that night's session at Orinda Grammar School.

Appointment of Downs by Chairman Zach Montgomery as secretary and delegate-at-large was an innovation for the group. In the past the secretary has been a regular delegate to Civic Affairs from one of the organizations represented on the committee.

Downs replaces Frank Cayting, who had been serving as secretary temporarily.

Grading for New Fire House Set For Next Monday

First step in construction of Orinda's new fire house is scheduled for Monday, when Hancock Construction Company of Lafayette plans to start grading the site at Moraga Highway and Orchard Road, the company stated today.

A company representative said the site "may" be staked out by the end of this week. Completion of the new fire house is expected in 100 to 150 days. The firm is under contract to finish the job in 150 days.

Hancock was given the job by the County Board of Supervisors on the company's low bid of $24,-500.

At a meeting last Sunday, the Orinda Fire Board awarded the contract for hoses for Fire House No. 2 equipment to the American Rubber Manufacturing Company. The firm was the low bidder of three companies which submitted bids.

Fire Chief H. E. Wyatt said that the contract calls for 3,100 feet of two-and-a-half-inch hose and 1,200 feet of one-and-a-half-inch hose.

Rent Control Will Be Continued Here

Rents will continue under control in Contra Costa County until June 30 at least, as a result of a 4-to-1 decision by the board of supervisors Monday.

The board agreed to the appeal of county labor forces to "hold the line until Congress has been given a chance to act." However, the Contra Costa Council of Real Estate Boards contended that rent controls are inequitable to owners who must pay 1951 maintenance costs from rental income set at 1942 price levels.

Supervisor Ray S. Taylor cast the dissenting vote. He suggested another week's delay "so that we can study further the added facts and figures presented us here today."

The motion to extend controls was made by Richmond Supervisor Ivan T. Goyak, seconded by Warren G. Buchanan and voted by Jacob Frederickson and Board Chairman Jack Cummings.

L. E. Schwab Family New Overhill Rd. Residents

The Lewis E. Schwabs and their four children, Joan, Janet, Paul and Philip, are new residents of Orinda. They moved to 144 Overhill Road early last month.

What's More, There's No Cudahy, Va.

Hams "from Virginia" aren't always what they're "cooked up" to be.

Tuesday morning the Chamber of Commerce office received a phone call from an Orindan who had bought a ham from two young men selling hams from a car. These likable fellows had said the hams were sent by their "mother in Virginia."

When the customer opened the package he found a Cudahy label on the ham.

The chamber office called the sheriff's office, and Deputy Sheriff Frank Rizzio promptly came out and picked up the two vendors in the El Toyonal hills. They admitted having bought the hams from Cudahy's in Hayward. Furthermore, they had no peddler's license, their scales were inaccurate and the hams were being sold at over 150 per cent profit.

Thoroughly sorry, the young men said they were just trying to earn a little money and had no intent to cheat, even though the product was misrepresented.

"They really were nice kids," a chamber official said, "but it just goes to show you can't be too careful in checking on what you're buying."

What are Acalanes Dons and Donnas doing this vacation?

Report on Easter Seal Campaign

Forty-five per cent of the $15,000 goal of the Easter Seal Campaign in Contra Costa County was raised during the first two weeks of the drive, according to a report by Mrs. L. H. Hulse, campaign chairman, to the board of directors of the Crippled Children's Society of the county at its recent meeting in Martinez.

A total of $6,727.82 was raised during the first two weeks of the four-week drive, Mrs. Hulse said. The campaign ends Easter Sunday.

The board of directors, after hearing this report, termed the campaign a success so far and adopted a resolution expressing appreciation to the newspapers of the county for the "timely and educational publicity which is attending the 1951 Easter Seal Campaign."

In her report, Mrs. Hulse said:

"Even though almost half of our goal has been realized, contributions will have to continue to come in at their present rate during the remaining two weeks of the campaign if we are to have sufficient funds for our 1951 program of assistance to the handicapped."

She urged all residents of the county who have not mailed their contributions to do so at once.

Skei, Tinay At Eastern Meetings

T. Skei and J. W. Tinay, both of Lafayette, spent last week in the East, where they attended meetings of technical societies.

Skei, a chemist in the corrosion department of Shell Development Company, Emeryville, was at the New York meeting of the National Society of Corrosion Engineers. He is co-author of one of the papers presented, which dealt with a Shell-developed corrosion and rust inhibitor used for protective packaging of metal parts.

Tinay, an engineer in the service engineering department of the same company, attended a regional meeting of the American Institute of Chemical Engineers at White Sulfur Springs, West Virginia. He heard about the latest developments in the design of industrial plants from trial runs with small-scale models or "pilot" plants.

Diamond K Sez . . .

THIS WEEK we have another good item for bargain shoppers who need retaining walls. Diamond K has done it again in lining up another bargain.

The other day we picked up between 600 and 700 used railroad ties suitable for building retaining wall, walks etc. which you have been planning all winter. These ties are in good condition with three sides good enough in appearance for facing and will last you many many years.

Used railroad ties are very practical and are easy to work with. However, of late they have been practically non-existent and their price has been almost prohibitive. These ties, which Diamond K now has on hand, are not the best ties in the world but at their price are hard to beat. Drop in and look them over.

LAST WEEKEND people showed a tremendous interest in our selection of garden tractors and tillers. We appreciate the turnout and the interest shown and we would like everyone to feel free to stop in and look over our wide selection.

We are more than happy to talk over the merits and advantages of the various machines and to answer any and all questions which you might have in mind pertaining to your particular garden job.

One more thing is coming Saturday, March 24, at 8 a.m. We are going to have a demonstration of the Model T Roto-ette. Anyone interested is invited to be at the store at that time —

See you next week.

Bill Magrath

C.O.P. Concert At Acalanes to Be Given April 4

The College of the Pacific Band will present a concert at Acalanes High School auditorium at 8:15, Wednesday evening, April 4.

The band has made very fine showings at important football games of the college during the past two years. The impetus has carried over into the concert band which has been pronounced the finest in C.O.P.'s history of music.

Seventy-eight musicians will appear here, in a program of new music and old favorites interspersed with numbers by a brass choir and an octet. Director Harold Heissinger has a reputation for selecting programs of unusual interest.

Proceeds, after expenses of the concert are deducted, will go toward the fund of the Acalanes Evening Chorus, to be used in their presentation of oratorios.

Admission will be 75 cents, and tickets may be purchased at music stores in Walnut Creek, Lafayette and Orinda, or from members of the chorus or at the door.

Mortar Board Alumnae Plans Spring Tea

Mortar Board Alumnae of the University of California held their monthly meeting last week at the home of Peggy Dewell in Piedmont.

Colored slides of Europe were shown. Plans were made for the annual Spring tea, to be held May 19 at the Town and Gown Club in Berkeley.

Clothing Drive Planned for Overseas Needy

Lafayette and Orinda plans are in readiness for this year's annual Quaker clothing and shoes drive for overseas needy, April 2 through 7.

Orinda drive depository will be the clubhouse back of Orinda Community Church. Lafayette depository will be in the rear of the new Edward book shop being opened next to the Gaston Cleaners.

Announcement of these collection depots by Mrs. H. C. Booth, Orinda general chairman, and Frank and Alice Smith, Lafayette co-chairmen, was coupled with other details about the drive sponsored by the American Friends Service Committee. These include:

IN LAFAYETTE, notices about the drive will be given to children at Lafayette, Vallecito and Montecito Grammar Schools early next week, for the youngsters to take home. Children will be able to bring clothing and shoes to depositories at the schools, while adults can bring articles to the store station from 9 a.m. to 6 p.m. daily, including Sunday, during the drive.

A movie "trailer" on the drive is scheduled to be shown at the Park Theater the week of April 2-7.

Mrs. Leland Harmon is telephone chairman of the Lafayette drive.

IN ORINDA, clothes are to be collected by the school children of Orinda and Glorietta Schools on April 5 and 6. During the rest of the week clothes may be left in the clubhouse behind the Community Church.

The Orinda drive committee is made up of Mrs. A. W. Elkinton, clothes chairman; Mrs. Kirk Miles, telephone chairman; Rev. Fred Morrow, who is contacting church members and affiliated organizations, and Mrs. Booth, general chairman.

SHOPPING AROUND with Nancy

SO YOU WANT TO CUT DOWN on your food bills! What better way than to invest in the new General Electric Freezer Shelf refrigerator shown at BURNS HOME FURNISHERS, Walnut Creek. You'll be able to take advantage of the food sales with assurance that there's plenty of storage space for frozen and other foods in this General Electric model, and ample room for bottles, too. This 8 cubic foot box retails at $299.95.
— BURNS HOME FURNISHERS

WITH METALS DIMINISHING IN SUPPLY, this is the perfect opportunity to sign up in the new metalcraft day class to be held on Tuesdays at **THE CRAFT SHOP,** Lafayette. Fortunately, the shop has a good stock of copper, brass and aluminum, and it offers expert instruction on tooling and fashioning these metals into unusual home ornaments. Learn to make lamps, lampshades, wood boxes, book ends, waste baskets, or any number of other home accessories of which you may be proud.
— THE CRAFT SHOP

STRIKING IN ITS COMBINATION of metallic thread and nubby wool is the new shipment of white and silver yarn just arrived at EMMA LEE'S KNIT SHOP, Lafayette. This is especially beautiful for knitting dressy outfits, and really glamorous for evening wear. Or you may prefer the yarn in another of the variety of colors combined with the metal thread. Pretty, too, for trimming your knitted wool suits or dresses. Priced at only $1 an ounce.
— EMMA LEE'S KNIT SHOP

JAVANESE, BALI OR GUATEMALAN designs, beautiful reproductions of expensive imported fabrics, adorn the cotton Batik prints important in the Spring fashion news at **THE FABRIC CENTER,** Walnut Creek. Folk dancers will love the gay prints they'll find here for dresses, skirts and men's shirts. Prices to fit your budget and a notions department, too, make this a one-stop shopping headquarters for your sewing needs.
— THE FABRIC CENTER

WITH PROSPECTS OF COOKING nearly 1100 meals a year, the modern housewife should see the new Wedgewood, Tappan and O'Keefe-Merritt gas ranges at JACKSONS FURNITURE OF WALNUT CREEK. Each has many features that will help change this task to a pleasure; special ovens, broilers, controls and other aids. Utility and attractiveness are combined. Many ranges have chrome tops and chrome hardware, or there's the optional choice of colored knobs to match your kitchen decor.
— JACKSONS FURNITURE of WALNUT CREEK

IF YOUR EASTER COSTUME needs just that certain finishing touch to make it perfect, **JAN'S JEWELRY AND GIFTWARE,** Walnut Creek, suggests you come in to see their selection of lovely Trifari costume jewelry. Perhaps it's a distinctive pin you want — or you may be looking for earrings, bracelets, necklace, guard rings, either gold or silver finish, some with simulated stones. Whatever you choose will be fashion-right if it's designed by Trifari.
— JAN'S

HAVE YOU EVER SEEN A LAVEBO planted? I was curious, too, until I saw this unusual and attractive accessory that is so attuned to maple furnishings, at LAFAYETTE FURNITURE. There are many companion pieces that will also add a charming note to the home with Early American decor — spoon racks, spice cabinets and the various other wall racks that will display your treasured trinkets to their best advantage. Priced from $8.95 to $67.50.
— LAFAYETTE FURNITURE

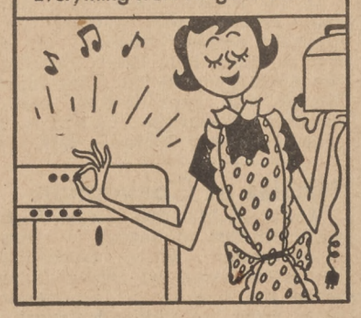
YOU'LL HARDLY BELIEVE YOUR EYES when you see the selection of smart, well-made cottons offered at such remarkably low prices at **MARZEL'S,** Lafayette. There's the Activi-Tee action-back frock by Barbette, the style used so successfully as a golfer — priced at only $6.95. Or perhaps your choice will be a dainty chambray, $8.95 to $10.95. These are only a sample few of the many wonderful buys in up-to-the-minute cottons at this shop, in a complete range of sizes.
— MARZEL'S

A REMARKABLE NEW FIBER, Dynel, has been used by Interwoven to fashion the last word in sox! And you'll find them at JIM SHIERRY'S, Lafayette. Newer than Fiber V or Orlon, Dynel sox feel like cashmere and will not shrink or stretch. Not restricted as to colors, these are woven in a broad ribbed pattern in either the "Lastop" self-supporting or the "Hi-Lo" short sock style. They have the advantage of being quick drying, too. Priced at $1.50 a pair.
— JIM SHIERRY

IF YOU ARE INTERESTED in Europe, even remotely, come and see Florence Rayfuse's pictures of 28 months in Europe with General Clay, to be shown Thursday, March 29, 7:30 p.m., at **WHITTEMORE TRAVEL SERVICE,** 1330 Main Street, Walnut Creek. You'll be glad you came and you'll find a wealth of colorful folders and literature on every type of travel — available for you free of charge. Let's make it a date!
— WHITTEMORE TRAVEL SERVICE

"Bring all your bosses, darling—
Cooking's fun in my new electric kitchen"

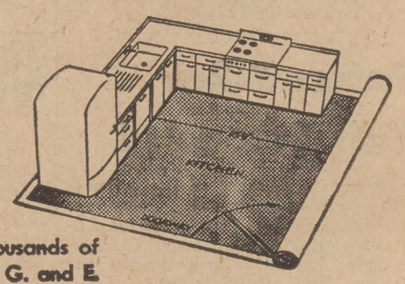
Used to work my poor self silly.
Dinner guests just scared me pink.
Now my kitchen's all electric
Everything from range to sink!



Point is: I start dinner going,
Set the table, join the fun . . .
My electric range cooks dinner
Without watching, till it's done!

Bosses love this kind of service!
Dishes done electrically!
All so thrifty when you figure
Low rates of P. G. and E.

Your dream kitchen can be a reality! Consult your appliance dealer now. With his trained experience he can show you how to save on the installation of an all-electric wonder team . . . automatic dishwasher, garbage disposer, new electric refrigerator, automatic range, ventilator, proper lighting and ample appliance outlets . . . so that your everyday kitchen will become a sparkling, pleasant, easy place to work in . . . *at far less cost than you think!*



"An electric kitchen is a good investment!" say thousands of home owners in Northern and Central California. P. G. and E. rates are among the lowest in the nation.

Residents Receive X-Ray Reports

Nearly 60,000 Contra Costa residents already have received the good news their x-ray pictures show no signs of tuberculosis, other disease or abnormal condition, it is announced by the Contra Costa Chest X-Ray Survey.

At the same time, it is announced that 1,542 persons who have had x-rays taken since the countywide rapid-tempo chest x-ray survey opened February 15 have been asked to return in order to have a large x-ray picture taken.

Total number of persons recalled for full size x-rays amounts to about 2.4 per cent of the total number of x-ray pictures reviewed to date.

X-rays of persons who have received appointments at the retake centers showed indications of tuberculosis, cardio vascular conditions or other non-tuberculosis diseases or conditions. Approximately one out of every 1,000 persons will actually require treatment for active tuberculosis.

It was pointed out that many of the indications observed on the small x-rays may turn out to be scars from a previous diseased condition.

At the Richmond Retake Center, South 27th Street and Virginia Avenue, 354 county residents have had second x-rays. At the Pittsburg Retake Center, 263 East 8th Street, Pittsburg, 162 persons have received their second, full size, free chest x-rays.

Scheduled to be established in Walnut Creek March 21, 22 and 23 is a retake center at the Walnut Creek Elementary School, Locust and Frederick Streets.

If you would like to live some more

And in this life abide,

Then don't get out the left-hand door

Upon the traffic side.

Music Teachers Hear Hageman Play Flute Solo

The regular meeting of the Contra Costa Branch of the Music Teachers Association of California was held Monday evening at the home of Clara King Floyd, 2715 Kinney Drive, Walnut Creek.

More plans for the Benevolent Tea, to be held April 15 at the home of Myra Tagg, were discussed.

The program for the evening was presented by Tom Hageman, outstanding young flutist of Lafayette. Lois Foss was his accompanist.

After the planned program, an impromptu session of operatic arias was requested and Virginia Blair, soprano, Tom Hageman, tenor complied.

Planning of the First Annual Music Festival, to be sponsored by the Contra Costa Branch, is in the final stages. The adjudicators will be Shirley Adams of Berkeley, piano; Carbon Weber of Lafayette, violin, and Shirley Adams of San Francisco, voice. The adjudication will take place Saturday, April 28 with first place winners being presented in recitals the following week. Watch for further articles featuring news about our adjudicators.

Trail Ride Group Picnic on Diablo

Approximately one hundred members of the Concord-Mt. Diablo Trail Ride Association, their families and friends, assembled at Wildcat picnic grounds high up on Mt. Diablo Sunday.

Thirty-eight of them, men, women and children, rode up on horseback, starting from the Richard Humphries' ranch on Oak Grove Road, Concord. The riders had a most enjoyable ride, along fire trails and cattle trails, through many small creeks, with perfect weather conditions.

They arrived at Wildcat at 12:30 and were met by the others and the Association's Chuck Wagon, serving lunch. After a two hour's rest, the riders returned to the Humphries' ranch by another route, which was equally interesting.

Mrs. Carol Martinelli was in charge of the refreshments, assisted by Mrs. Joseph F. DeRosa, Mrs. Agnes N. Groom, Mrs. Robert Cook and Mr. Thos. W. Smit.h

Among those present were: Dr. and Mrs. John Lawrence of Orinda; and William Irwin, Mr. and Mrs. Will Hall, Susan Hall, Mr. and Mrs. Thos. W. Smith, and Miss Maude S. Davis of Lafayette.

COUNTY VISITOR

A visitor to this county last Friday, was J. Roy Holland, director of research for California Taxpayers Association. Holland is making a swing around to the various counties where Taxpayers Associations exist. While here, he conferred with J. B. McFarland, secretary of Contra Costa County Taxpayers Association.

OPS Extends Pricing Chart Deadline

Deadline for filing of "Pricing Charts" by retailers selling clothing, furniture, floor coverings, yard goods and other articles covered by Ceiling Price Regulation 7 has been extended by the Office of Price Stabilization to April 30, Homer F. Potter, district director, announced today.

The previous deadline was March 28.

Retailers may begin to price under their charts just as soon as a copy of the chart is filed with the OPS District Office, 1417 Clay Street, Oakland. They must price under the chart on and after April 30.

The amendment also extends by 30 days the date after which a retailer cannot sell any item covered by Regulation 7 unless he has received acknowledgement from the District OPS Office of the filing of his chart, Potter said. The original deadline on the latter of April 28 is extended to May 30.

Today's action also extends the deadline from March 29 to April 30 for retailers to file reports with their charts showing margins which they had during the "Base Period" July 1, 1949, to June 30, 1950.

At the request of the Lafayette Chamber of Commerce, the firm of Bayard and Wright has prepared pricing chart forms. These may be obtained at cost at the Bayard and Wright office, 998 Hough Avenue, Lafayette.

Canyon Callings . . .

Canyon welcomes two new families to the community: Mr. and Mrs. Merle Honaker and family, formerly of Berkeley, and Mr. and Mrs. Joseph Hobbs, formerly of Denver, Colorado.

Mrs. Earl Adams of Spencerport, N. Y. is visiting at the home of her daughter and son-in-law, Mr. and Mrs. Anthony P. Prieto.

Mr. Roy Joynes and sons Eddie and Bob spent the weekend in Sacramento.

Myles James, U.S.N., spent some time with Mr. and Mrs. Halley Cox (formerly of Canyon) in Honolulu, where Mr. Cox is an art instructor at the University of Hawaii. James is now on duty in the Korean waters.

Mrs. Curley Busan is spending the week with her parents, Mr. and Mrs. A. D. Klump at their home near Altaville.

KENNETH GREENE enlisted with the U.S. Army and is at present stationed at Fort MacArthur.

Mr. and Mrs. Frank Sanchez, formerly of Canyon, on March 11 became the proud parents of a baby girl.

Young Marlowe Boyd was very surprised and happy when his dog, Faba, presented him with 10 puppies, but there is some conjecture as to the sentiments of his parents.

SCOUT ACTIVITIES: Scouts Alan Dunham and George Malvey, accompanied by Scoutmaster Paul Foster, made an "inspection tour" of Alameda Air Station March 10. The scouts recently went on an overnight fishing trip to Sweeney's Beach. Boys of Troop 212, working for second class awards, mapped out by compass a four-acre area, one of the requirements. Future activities cover — Board of Review, March 29 and Court of Honor, April 19 at Canyon Hall.

The teen-age group, in honor of St. Patrick's Day, celebrated at the home of Bruce and Doug O'Neil. Present were Donna and Shirlian Lonergan, Bonnie Miller, Renee and Marcella Reiter, Anice and Arlo Compher, Eddie Foskett, Bill Blaskovich, Richard Bierman and Alan Dunham.

June Foskett, Fay Cooper and Barbara Edwards, with escorts, attended the Mothers Club dance at Moraga last Saturday night.

DON'T FORGET to sign up at the store for the pot luck dinner to be held at Canyon Hall Saturday, March 31, 6:30 p.m. The event is sponsored by the Women's Club. Entertainment will follow dinner. Proceeds are for the school well fund.

Eighth Graders To Be Tested

Prognosis tests for Orinda and Lafayette eight graders scheduled to enter Acalanes High School this September, will be given by the high school counseling office April 9 through 13. Orinda and Lafayette grammar students entering Acalanes next year will be programmed and registered beginning May 1.

Counselors also prepared to administer an all-school testing program next Monday and Tuesday as a part of the comprehensive testing schedule adopted by Acalanes earlier this year.

Acalanes freshmen and sophomores will be given the California Achievement battery of tests which probes achievement in English, language and math. The results of these tests will enable teachers to diagnos each student's academic achievement, and will enhance future instruction.

The Essential High School Content battery of tests measuring achievement in English, social studies, science and math will be given juniors and seniors. Aside from counseling purposes, these tests will enable the teachers and the school administration to evaluate the efficiency of the school program.

The tests may also be an aid to college counseling officers at the school of higher learning selected by students when they graduate.

DEVELOPMENT ASSOCIATION

President William O. Barnes was to announce appointments to a nominating committee of the Contra Costa County Development Association when directors held their monthly meeting at association headquarters, 838 Escobar Street, Martinez, yesterday.

Young GOP'ers Plan Family Picnic

The Young Republicans of Central Contra Costa County met last Wednesday at the Orinda home of Mr. and Mrs. Ned de Laveaga to make plans for the large Family Picnic to be held April 15 at the Martinez City Park.

This gala event will feature Gov Earl Warren as speaker and guest of honor. Guests from Hollywood will include Leo Carillo and George Murphy who will act as Master of Ceremonies.

The Young Republicans, only recently organized in this area, are formed for the purposes of becoming better informed on the qualifications of candidates for office and issues on which to be voted. Other purposes of the Club are to make this information available to the public and to support the candidates of its selection.

The next meeting of the group on April 25 will feature a speaker and elections for officers will be held. New members are cordially invited. The meeting place will be announced.

District Convention Of CCPT Next Monday

"Human Relations in a 36-Hour World" will be the topic of Edward Radenzell at the annual convention meeting of the Sixteenth District, California Congress of Parents and Teachers next Monday at the Lincoln School, 6th and Chanslor Street in Richmond.

MT. DIABLO BLVD. Lafayette 2242

At Red Cross Halfway Mark—1/3 of Fund

With a total of $8,000 reported at the halfway mark in the 1951 Red Cross Fund Appeal in the Mt. Diablo Chapter area, local campaign officials are optimistic that the ultimate goal of $24,000 will be achieved before the end of March, official closing date for the effort.

They point out that historically, with calculations based on the past three years' drives, the sum of $8,000, as reported on March 15, indicates a probable potential of $22,300. They feel that numerous factors of the current year will combine to raise the total to the sought-for $24,000.

BESIDES the exigencies of the year for Red Cross everywhere and especially in the local chapter area, they recall that this year there are more community chairmen directing the appeal, twice as many workers in the field and a larger population of possible contributors.

No one in the organization charged with doing the job feels that the hard work is over; in all communities every effort is being made to accelerate the drive with the double objective of making more calls and making all calls more effective.

REPORTS from community chairmen this week will contain not only word of amounts contributed but also a notation of their estimate of the percentage completed in their areas, together with a memorandum of the time expected to be consumed in completing the drive.

With this material in hand the chapter executives should be able to announce the probable ultimate result for the month and will be able to figure ways and means of making up for any apparent possible deficiency.

Korean Gunga Din

Like the Indian water boy hero in the Kipling poem, this Red Cross worker serves thirsty troops with a drink. The water in the case above is for a wounded Marine in an army hospital.

Social Security Payments Change

Many persons 65 or older in this area are going to be very unhappy if they don't get in touch with the Social Security Administration before March 31.

Robert B. Evans, local field representative for the Social Security Administration announced today that "changes in the New Social Security Law make it possible for many persons to receive monthly payments now even though they did not qualify previously."

DO YOU MEET these requirements: 1. Are you 65 or over? 2. Have you worked at least a year and a half under social security since 1936?

If you can answer "YES" to these two questions and: 1. You have not already filed a claim. 2. You are not earning more than $50 a month in employment covered by social security — then you are eligible for monthly Federal Social Security payments.

FURTHERMORE, EVANS continued, "if you met these requirements in September 1950, you must file your claim before the end of March or you will start losing a month's benefits for each month you delay filing a claim."

Persons 75 or over, who have worked a year and a half under social security can receive monthly payments whether they are working or not.

Survivors of World War II service men or women may also be eligible for monthly payments.

The Oakland Social Security Office is located in Room 203, Main Post Office Building, Oakland 7. Telephone Twinoaks 3-0177. (After March 23, Templebar 6-4522).

For the convenience of local residents, Mr. Evans will be at 915 Green St., Martinez, every Wednesday from 10:00 a.m. to 3:00 p.m.

G. F. McCORMICK, Secretary
Contra Costa County
Planning Commission
O-83, Orinda Sun, March 23, 1951.

In almost all traffic accidents, one or more traffic laws have been violated by motorists or pedestrians.

Cap Sandford Sez:

DO YOU WANT TO FEEL absolutely wonderful . . . mentally, morally and physically?

If you do, here is what you should do!

First of all, catch yourself a very bad attack of flu. Then get your doctor to fix you up if he can (my doctor fixed me up quickly). After the flu bug has been conquered you will feel about as wretched as any human being can and still live.

Next step is to make a reservation for yourself at the Seventh Day Adventist Sanitarium at St. Helena.

AS SOON AS YOU ARRIVE there your cure will begin, because every person working there is unselfishly and wholeheartedly determined to make you well if they can.

And with that thought in mind, they go about it in no uncertain fashion.

The sanitarium is modern, fully equipped and magnificently situated in the Howell Mountain area of Napa Valley.

MAYBE YOU DON'T WANT to catch flu. If you don't, I don't blame you.

Maybe you feel in first class condition all the time. If you do, I'm happy for you.

However, if you should be under the weather, you just go there and do right, think right and live right, and all will be well.

If all the people in the world felt as these good people do, there would be no war in Korea or any place else, ever.

LEGAL NOTICE

NOTICE OF CONSIDERATION OF APPLICATION FOR A LAND USE PERMIT BY THE CONTRA COSTA COUNTY PLANNING COMMISSION UNDER PROVISIONS OF ORDINANCE NO. 382

NOTICE IS HEREBY GIVEN that the Contra Costa County Planning Commission will give consideration to the application of Warren A. Patton for a use permit.

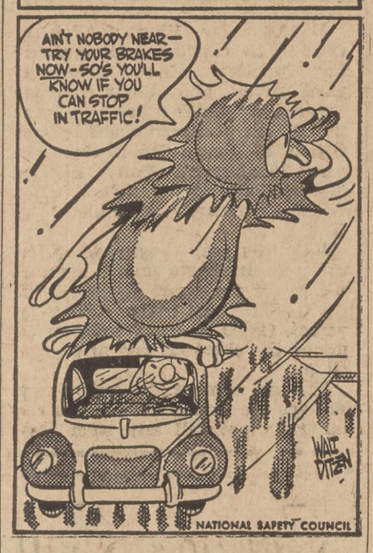
Said application is to modify provisions of Section 4 Subdivision F Subsection 5 & 6 of the provisions of Ordinance 382 as hereafter set forth, namely: to have 11 foot side yards on each side and 15 foot set back.

Property is located on the following maps which appear as Subsections 24 of Section 3 of Ordinance 382.

Brief description of property: Lot 21, Mariposa Road—Orinda Park Estates—Orinda.

The time and place of said hearing will be in Room 210 Hall of Records, Martinez, California, 4-3-51, 8:00 P.M.

OWL SAY!



Outdoor Art Show Workers Meet

A large enthusiastic group of members and workers for the Outdoor Art Shows Inc., met at the home of Mr. Forrest Englehart of Alamo March 15 to formulate plans and construction of the new show to be held in September.

A basis of competitive exhibits was decided upon, and location of the show discussed.

AMONG THE CRAFT displays will be: weaving, Mrs. Susan Campbell of Lafayette in charge; leather and metal crafts, Mrs. Dale King; ceramics, Mrs. Nancy Clough; and jewelry, Bob Winston, popular and well-known instructor at the California College of Arts and Crafts.

Mrs. Ruthe Howard will again head the Childrens Art section, which this year will include three distinct classifications; grade school, high school and junior college.

THE MAIN EXHIBITION of paintings, which is expected to attract entries from many artists throughout the state, will also feature the work of local painters.

Membership sales in Outdoor Art Shows are reported mounting, with a limited number still available through local area chairmen. Purchase of a member-sponsorship entitles the holder to attendance at a party pre-view evening held prior to public opening of the show.

Sacramento Report

Budget, Rural Electrification, Lobbying Come Up in Legislature

By ASSEMBLYMAN
ROBERT L. CONDON

In the first two or three weeks of the March session of the legislature, most of the matters considered are more or less non-controversial. The committees usually hear first the technical bills about which there is little difference of opinion. After committee approval, these measures are acted upon by the two houses and are generally approved. Three controversial matters, however, were raised in the first week of the reconvened session.

THE BUDGET. The Assembly Ways and Means Committee, in record time ,approved the Governor's billion dollar budget virtually without change. A battle looms, however, due to the statements of Senator Ben Hulse, head of the State Finance Committee. Senator Hulse states that he intends to cut the budget by at least $30,000,000. Hulse contends that frills and unnecessary expenses can be eliminated from State spending. Among other things, the senator would cut the mental hygiene and public health programs.

Hulse also said that no new social spending will have his approval. This means that the schools may have tough sledding to obtain the extra $50,000,000 they need. It also indicates that the program of state and federal assistance for the totally disabled, a program favored by the Governor, may be defeated.

RURAL ELECTRIFICATION. In January, the Senate unanimously approved a bill by Senator Harold Powers to remove power cooperatives from the jurisdiction of the Public Utilities Commission. These co-ops service remote rural areas and are financed by the federal government's Rural Electrification Administration. Since the federal government pays for the program, it insists upon regulating it.

The private utilities—the P.G.&E. and the Southern California Edison Company—went to work on the Assembly side to defeat the bill. These utilities of course oppose any extension of public power. A bitter hassel developed in the Assembly Public Utilities Committee, and the Powers bill was refused passage. A movement to withdraw the bill from committee will be made, but it will probably be unsuccessful.

LOBBYING. The Assembly sent to a rousing 19 to 54 defeat A.B. 10, by Assemblyman Collier. This measure purported to forbid solicitation of funds for political purposes from the old age pensioners. Admittedly aimed at pension promoter George McLain, the bill was defeated primarily because it would not have accomplished its aim. Moreover, the language of the bill was so broad that it would have hit the activities of other groups, such as teachers, trade unions, and the P.T.A.

MISCELLANY. The new office building for the legislature is virtually complete, with members moving into new offices this weekend. . . . Senator George Miller, Jr., and I will broadcast 15 minutes every Sunday evening at 8:45 p.m. over Station KECC, 990 on your dial. We will discuss the legislative happenings of the week. . . . The hottest political fight of the year will be over re-apportionment. Al-

Hi-Lites on Hi-Life

By DON and DONA

EASTER VACATION, of course, means different places and activities for various Acalanes students and teachers. Here are the doings of some.

(We'll be all ears to hear reports next week, back at school!)

OZZIE, Lee Nelson, Bill Sparling, Norm Passur—Carmel.

Joan Hughett, Nancy Tinkham, Joan McCrum—to look over San Jose State, where they plan to attend.

Donn Beardon—working 10 hours a day, seven days a week. Kay Goodwin—Carmel. Roger Linn—to Carmel. Lorraine Durante—having her tonsils out. Avice Hutton—to Fresno.

WINKIE—MISSED Avice. Sue Tomer, Pat Bermingham—to Los Angeles. Val de Laneux—training for swimming. Dinger Klement—working at Orinda Village gas station. Diana Graves — Beverly Hills, to visit friends. Carola Courtright—skiing and sun-tanning.

Toni Biggs, Jack Babcock, Don Cvietusa—taking a hike in the hills.

Mrs. Webb—housework, polish floors and car. Bob Fox—Napa.

Ann Pendleton—to Donner, skiing. Art Dull—selling advertising for Aklan. Marion Walker—to Turlock.

MA FLETCHER—Palo Alto and Walnut Creek. Betsy Selby, Carolyn Baker, Anne, Sue Helfrich—Carmel.

Neale Warren—working at home, and trying to get driver's license. Miss Pembroke—to do some gardening. Claudia Grasse, Frank Pierce, Evelyn Simonsen, Bob Gorman—to Claudia's cabin at Pinecrest.

Joan Sterner—to San Diego—planned to go out with high school teacher. Marilyn Collins—to San Diego—to see her fiance. Jayne Kirk—stay at home and have nervous breakdown over Junior and Senior Banquet. Bob Burkett, Jan Erikson—to Tijuana. Peg Connell—stay home.

DARYL BRODERICK — Santa Barbara, for visiting. Bruce Morgan, Barbara Carideo — Carmel. Miss Wagner—Carmel and Woodside. Linda Baker—nothing. Gail Smith—to New York. Linda Pyle—to a ranch. Brooks de Laneux—training for swimming. Pat Malvey—Yosemite, and Junior and Senior Banquet work.

Sandra Gordon—Donner Summit for skiing. Julia Dunn—Carmel—stay in La Playa. Pat Camp, Sue Fowler—Santa Barbara. Rae Littlejohn—staying home.

DARRELL CROSSMAN — going on a hike. Nancy Dieterich—working, Rinehart's. Naomi Pettengill—going to Merced to visit sister. Anne Hawkesworth—going slumming.

Barbara Springston—Junior-Senior Banquet — Saratoga. Frank Teiche—stay home and work. Ada Vittaly — skiing. Steve Lawrence—working.

JANET JANSSE—nothing much—Watsonville.

Petey Bedard — painting their house.

Barbara Bennett—Palm Springs.

Gordie Hooper, Tom Roemer—to Vallejo.

Macbeth to Have Lighter Touch

Shakespeare's "Macbeth," traditionally dealt with on the heavy side by dramatists, is to be produced with a new approach when St. Mary's students present the play at Le Fevre Theater March 28, 29, 30 and 31.

Yale Meyer, director of dramatics at the college, said, "The traditional interpretation of a 'heavy' Macbeth and a 'domineering and shrewish' Lady Macbeth is not for us."

"So much of Macbeth is familiar to Shakespeare readers that actors have a tendency to recite speeches. We desire to present a play, not gems from Shakespeare," he continued.

The title role will be played by Philip Sullivan, a senior and veteran college thespian. Mrs. Grace Fretter of the Berkeley Play House will take the part of Lady Macbeth.

For nationally known brands at nationally established prices — shop right here at home.

Home Society Has Easter Fund Appeal

Two tiny footprints will walk into thousands of California homes as a part of the Children's Home Society of California annual statewide Easter appeal for funds.

In its 60th year of service, as California's only statewide licensed adoption agency, the Society has placed over 15,000 children in secure homes since its founding in 1891.

This Easter the two wee footprints of a three-week-old baby now in the society's nursery appear on the appeal letter mailed from the society's offices in San Diego, Los Angeles, Santa Barbara, Santa Ana, Bakersfield, Oakland and San Francisco. Little "Baby Doe" is but one of many children who will find happiness in 1951 through the society's work in the field of adoption.

Finish Framework On New School

With most of the concrete foundation forms laid, the construction at the new Las Lomas High School south of Walnut Creek continued to take shape this week with the erection of the structural steel framework.

Plans for two locker rooms have been delivered to the State Division of Architecture for approval. The locker rooms, previously cut from the original plan for the school okayed by the school board last Fall, have been altered to meet minimum requirements. The change was necessitated by rising costs which have already eliminated several other structural features.

Cancer Society Outlines Campaign To Educate Public in Detection

Determined to afford everyone in the county an opportunity to become acquainted with means of early detection of cancer, the first official meeting of the newly organized Contra Costa Branch of the American Cancer Society was held recently at the Coast Counties Gas Company auditorium in Walnut Creek.

At the meeting, which was attended by civic, business and medical leaders from throughout the county, unit chairmen reported that the educational films produced jointly by the American Cancer Society and the U. S. Public Health Service were scheduled to be shown to a total of 293 organizations in the county. Arrangements are still being made for further showings, on request.

MRS. L. M. FEKETE, reporting for Mrs. W. W. Ornduff, unit chairman of the Lafayette area, stated that 12 organizations were present at showings of the film March 6.

A showing of the educational film in Orinda was held at the Community Church Wednesday night, with Dr. H. D. Neufeld of Concord as speaker. Mrs. Thomas G. Cullen was in charge of arrangements. Plans for future showings are being made by Mrs. John Gompertz, unit chairman.

R. W. Rinehart of Walnut Creek, president of the county organization, reported that the Contra Costa County budget had been increased by $750, to provide additional educational materials, making a total of $4,750 required to finance the work during the ensuing year.

Funds are to be raised in a county-wide campaign to be held in April, with Mrs. James Hoey of Martinez, campaign chairman. She will be assisted by two vice-chairmen, Mrs. J. R. Lar Rieu of Walnut Creek and Mrs. Claire Schmidt of Richmond — both deputy county commanders. Unit chairmen of the current educational campaign likewise will assist in the financial solicitation in April.

ALREADY $500 has been appropriated by the Cancer Society to aid in the countywide chest x-ray campaign now in progress. In reporting on the x-ray program, Dr. Walter L. Taylor of Martinez stated that, based on previous x-ray programs, approximately 20 cases of early lung cancer would be brought to light by the survey.

Stressing the importance of early detection of the disease, he depicted the enormous financial saving which could be effected in this one phase of the work of the society.

BROAD ASPECTS of the campaigns, both educational and financial, as related to Contra Costa County, were reviewed by Jeff Hall, field representative of the California Division of the American Cancer Society. Hall is assisting in plans for the branch and aiding in correlating the work locally with that of the state division.

Mrs. Reginald Biggs, county commander, reported all sections of the county are represented in the organization, with unit chairmen in each area.

Mrs. Aubrey Macomber, as paid executive secretary, is in charge of the branch office at 1000 Oak Grove Road, Concord.

HAPPY AND PROUD are Raymond Orr (left) and Dick Doty, members of Boy Scout Troop 207. They have good reasons to feel that way —the two 14-year-old boys will be advanced to Eagle Scout rank next Thursday night in a special Court of Honor by the troop, at Orinda Grammar School. —Tribune photo

Ray Orr and Dick Doty Earn Eagle Rank; Other Advancements Announced

Invitations have been mailed for Boy Scout Troop 207's special Court of Honor at which Raymond Orr and Dick Doty will receive their Eagle rank next Thursday night at Orinda School.

At a Court of Honor March 13, the following advancements were awarded:

TENDERFOOT: Gordon Fowkes, Dennis Collins, Mike Downs, Terry Collins and Don March. Second Class: Wade Wallace, Gordon Thurston, Dennis Collins, Bill Demeter, Frank Soule, Peter Meigs and John Lamberth.

First Class: Hart Corbett and David Oakley. Star: Paul Kops, Peter St. Hill, Bud Dodge, Hart Corbett and T. G. Cullen. Life: John Conley and Allen Sutton.

The following received merit badges: Allen Sutton, Hart Corbett, T. B. Cullen, Bud Dodge, Tom Hannan, Peter St. Hill, Joe Conley, Paul Kops, John Conley and John Spiegl.

IT WAS ANNOUNCED that several tons of paper had been collected in the recent drive, and the boys are proceeding with plans to have two similar drives at five week intervals. Money raised from this project will be used to purchase a seeing eye dog for some blind person.

Stan Hunn will retire as scoutmaster on April 1, and Jerry Cullen, present assistant scoutmaster, will assume troop leadership. Hunn will then serve in the assistant role.

A GROUP OF THE scouts went on a snow trip over Washington's Birthday holiday, and a number of the boys left this week for a two-day trip to Pinecrest. Adult leaders accompanied them.

Speakers to Compete in Lions Contest

Following the regular dinner meeting of the Orinda Lions Club next Wednesday night at The Willows, speakers from Acalanes High School will compete for the position of "Representative of Orinda Lions Club" in the annual Lions Club Student Speakers Contest for Democracy to be held next month.

Students participating will be Janet Chantler, Bob Burkett and Art Siler, all of Orinda. Mrs. Noreen Mitchell, public speaking instructor at Acalanes High School, has been their coach.

According to Kenneth L. Courtright, Orinda, contest chairman, the judges selected are Mrs. Joan Erickson, Orinda Union School trustee; Joseph L. Sheaff, superintendent, Orinda Union School District, and Nathan G. Gray, attorney member of the Orinda Lions Club.

JUDGING will be on the basis of thought, content and delivery. The winner will represent the Orinda Lions Club at the Lions Club Zone Contest to be held next month.

Ultimate finalists will receive typewriters of current model and standard make when they compete for the $1,000 cash scholarship at the Lions Club California-Nevada Convention to be held in Stockton in June.

It is believed that all participants in all contests are "winners" in the sense that they thereby receive valuable training for future democratic leadership.

FOR THIS REASON, it is not the few winners at the top who make this contest noteworthy, but rather the thousands of participants who interest themselves in it on the local levels.

It is the aim of the Fourth District of Lions International to comb the high schools of both California and Nevada for talent in this field.

Pupils Give Sociodrama at U.C.

The technique of sociodrama was demonstrated by the seventh grade Glorietta pupils before a group of advanced education students at the University of California recently.

Sociodrama is a technique used to solve social problems pertinent to the individual and the group. The pupils decide upon a problem and then they spontaneously act out the solution. The acting is done by two or three groups, each acting out the same problem. The solutions are then discussed by the class and a conclusion is reached as to the best solution.

The pupils worked out the problem, "What can we do to help a pupil who isn't a good player in sports and is always being chosen last?". The pupils were then asked for their reactions to a number of adolescent problems similar to this one.

The pupils answered the questions honestly and the education students moved one step closer to understanding pupils and their immediate problems.

Scouts Preside Over Brownies

The Orinda Girl Scouts, members of Troop 35, from the Orinda School, presided over the meeting of Brownie Scout Troop 58 on March 13.

Joanne Ross and Heather Ambler briefed their younger sister Brownie Scouts on the requirements necessary for the tenderfoot rank.

Games were played which had been carefully planned by Joanne and Heather, to teach a portion of these requirements.

Jeanne Slusser, the newest member of Troop 58, was hostess for the afternoon and served refreshments at the close of the meeting.

Hearing Monday On Fire District Plea by EBMUD

Set for 10 a.m. next Monday by the Board of Supervisors is a hearing on the request of General Manager John W. McFarland of the East Bay Municipal Utility District that certain E.B.M.U.D. property generally south and east of Mt. Diablo Boulevard be withdrawn from the Eastern Contra Costa Fire Protection District.

The property extends from Davis Road almost to Charles Hill and down to Moraga Meadows.

McFarland's request states that this territory should be in the Orinda Fire Protection District.

Do you realize how much it costs when you go through the Tunnel to shop?

Circus Day Theme For Benefit Lunch At Diablo Club

All the color and excitement of circus day will be the setting for the "Big Top" party April 10 at Diablo Country Club sponsored by the Pandora Chapter of the Children's Home Society.

Sideshows and fortune-telling booths, pink lemonade and hot dog stands, and all types of "animal freaks" will be featured along the boardwalk planned by Mrs. Fred Crawshaw and her committee.

The luncheon will be al fresco, with the "Parade of Freaks" the highlight of the carnival. Costumed members of Pandora who will participate in the "animal parade" are Mesdames Clarence Betz, John Cooper, William Hanley, R. P. Rasmussen, A. K. Pettengill, Alex Poulsen, James Anderson, Kenneth St. Claire, William Houston, Edward A. Merrill, Arthur Anderson and Roy Stuart.

Hundreds of residents of this area are already making advance reservations for the spring party. Most important event on Pandora's calendar, all proceeds from the affair will be turned over to the adoptive agency's young wards at 6515 Outlook Avenue, Oakland.

Serving on the general committee are Mesdames Lloyd Callaway, Arthur Anderson, James Anderson, G. W. Heinrici, Roy Price, H. J. Frolich, Robert Anthonisen, Clarence Betz, Kenneth St. Clair, J. M. Long, Ida Zamloch, R. P. Rasmussen and A. D. Blalock.

Dramateurs Step Up Rehearsals

With production dates April 6 and 7 looming close on the calendar, Orinda Dramateurs are energetically pitching into their rehearsals for the Moss Hart comedy, "Light Up the Sky," directed by Edward O'Brien.

A competent cast has been chosen for the play which is to be presented the two nights at Acalanes High School gymnasium.

The part of Sydney Black, show "angel" in the comedy, will be capably handled by Leonard Nachman. He has been active in Bay Area Little Theater work for about 15 years, and has had starring roles in "The Late George Apley," "Craig's Wife," "Springtime for Henry" and "R. U. R."

Acting has been a hobby since his school days. Nachman has been affiliated with the Oakland Theater Guild and the Berkeley Players. He studied at Bradley Institute, Peoria, Illinois.

James Stanislowsky, who plays the director's role in the production as Carlton Fitzgerald, was director of the Berkeley Playmakers for several years and also played with the Berkeley Little Theater group. He directed plays for the Codornices Club in Berkeley and also for the Berkeley Group Theater.

Although directing is his hobby, other phases of theater work have occupied him professionally in the past. He designed scenery, doing the layout for the stage at C. O. P., and also designed the seating arrangements for Lesser Hall at Mills College.

Conduct Funeral For Irene Pike

Funeral services for Irene Walker Pike, who died in a Berkeley hospital March 15, were conducted Monday morning in Sunset Mausoleum, Berkeley, by The Little Chapel of the Flowers. The Rev. J. Henry Thomas officiated.

Mrs. Pike was the mother of Edward D. Pike, Jr., of Camino Lenada. Other survivors include her widower, Edward D. Pike, Yosemite Road, Berkeley; a brother, Kenneth Walker of New York City, and two grandsons, Edward D. Pike III and John M. Pike.

Chit and Chat about Don and Donna

By MARY THIES

BOY—this is the life! No books or homework, being able to sleep late in the morning and just having a wonderful time. After enjoying this week of Easter vacation, returning to school doesn't sound too thrilling.

Mexico seems to be quite a popular spot with Acalanes students. Ken Ernst plans to spend his vacation collecting senoritas to keep as souvenirs. Orders can be placed with him! Only three to a customer!

Another South of the Border visitor is Carlette Sawyer, who plans to spend two weeks there. Gee, I feel so sorry for these people!

The Mixed Chorus, a new group of Acalanes, under the direction of Bruce Handley, has recently performed for the Lafayette Dads Club and also at an Acalanes assembly. From remarks that I heard, I guess the students really enjoyed the assembly.

A few of the members from Orinda are Janet Morris, Carol Peterson, Carlette Sawyer, Bill Abreu and also yours truly.

BESIDES showing us what we don't know as far as studies are concerned, it looks like the faculty can also show us a thing or two about volley ball!

In a recent game between the faculty men and women, and Junior girls and boys, the final score proved this point only too well. Kay Goodwin, Sharon Brown, Al Culp and Peggy Everest were a few of the Juniors who participated in this game.

Diana Osborn, a freshman, planned to spend Easter vacation at a turkey ranch in San Luis Obispo. Don't eat too much turkey, Diana; after all, Thanksgiving is still eight months away!

In a recent issue of the Oakland Tribune, there was quite a lengthy article about the Children's Hospital of the East Bay. It seems many of the Bay Area high schools are forming branches of this organization.

HERE AT ACALANES, Kay Goodwin is organizing the Daphne Branch and we wish her loads of luck in this worthy project.

That's all for now, but I'll be back next week. In the meantime what have you been doing? Won't you let me know about it?

Republican Women To Hear Speakers

The first spring meeting of the Republican Women's Club will be held Thursday, 10 a.m. at the Orinda Country Club.

All voters, regardless of party affiliation, are urged to attend as the program will be non-partisan.

Mrs. George Bennett and Mrs. Edward de Laveaga of Orinda will be the speakers for the morning.

The Republican Women's Club also wishes to announce that anyone requiring transportation to and from the Blood Bank may call Mrs. Lindsey Spight, Orinda 2006, for information.

Cancer Film To Be Shown

Mrs. John Gompertz will open her home at 1 Hacienda Road for the showing of the documentary film "Breast Self-Examination" produced by the American Cancer Association Tuesday morning at 10:30. Dr. Carl Wellington Smith will explain the film and answer questions.

This film has been widely acclaimed by both the medical profession and lay groups, and is being shown as one of the first projects of the Contra Costa County Chapter of the American Cancer Association.

Assisting Mrs. Gompertz are Mrs. Jefferson Larkey, Mrs. Ambrose Macdonald and Mrs. John Parker.

Girl Scout District Meeting Held At Home of Mrs. Vernon Axelson

At the home of Mrs. Vernon Axelson, chairman for the Orinda Girl Scouts, a district meeting was held March 14.

Future plans for Girl Scouting activities in this community were discussed.

Mrs. Axelson made the following announcements: A court of awards is scheduled to take place May 25 at the Orinda Grammar School.

A BROWNIE FLY-UP Training Course will be given at the Coast Counties Gas & Electric Company building in Walnut Creek April 2, 1 p.m. to 3 p.m.

The date for the Fly-Up ceremony has not yet been announced.

MRS. CHRIS OLSEN has been named Orinda chairman for the Brownie Revel which will be held May 19. Anyone interested in the particulars pertaining to the Revel may contact Mrs. Olsen at her home, 15 Overhill Road, telephone Orinda 2953.

Instruction and demonstrations in the art of felt-handcraft will be given at a "workshop meeting" Tuesday in the Girl Scout office, Lafayette.

ALL LEADERS and mothers of Girl Scouts are invited to attend. Again this summer there will be a day camp at Live Oak Park, Mt. Diablo, for both Brownies and Girl Scouts. Each girl who is registered in a troop will soon receive complete information by mail.

Those attending the meeting were Mesdames L. B. Boyer, Fred Kronke, Chris Olsen, Donald Krotz, Robert Bowman, William Tildsley, Wellington Ray and O. N. Giem.

Explorer Post 300 Gives Awards In Post of Honor; Plan Tree Planting

Explorer Post 300 of Orinda held a Post of Honor March 7.

The following Explorers received their outdoor skill rating: Jim Hall, Bob Wickman, Tom Morrish, Charles Kops, Joe Conley, Ted Beckett, Bob Crall, Stan Pedder, Bob Harrison, John Davey, Chuck Gompertz, Jan Erikson and Don Reid.

THE FOLLOWING post officers received their leader emblems: Senior crew leader, Jim Hall; deputy senior crew leaders, Bob Wickman and Dick Rogers; crew leaders, Charles Kops, Harvey Lowthian, John Davey and Frank Teiche; assistant crew leaders, Bob Harrison, Dave Meyer and Joe Conley; post secretary, Tom Morrish.

The post voted to contribute to Conservation Week by offering to assist the East Bay Municipal Utility District in planting trees on the Orinda watershed.

KEN MORRISH was the principal speaker and showed colored slides of the Kings Canyon Primitive Area. After his talk, the post voted to take their summer wilderness trip down in the Kings country and scheduled the date for August 18.

Two future events are another ski trip to Camp Bray near Pinecrest April 14 and 15 and a trout fishing trip near Quincy the last Saturday in May. On March 10 members of the post visited the Alameda Naval Air Base.

The post recently re-registered with a total membership of 40 boys and three adult leaders. Leaders are adviser, Dr. Ralph C. Hall, assistant advisers, Bob Harrison and Julian Unruh.

Many Awards Won by Pack 52 Cubs

Cub Pack 52 attendance award for the March 9 meeting was won by Den 6 with a perfect score. Den 3 won the award pennant with seven awards.

Awards presented at the meeting were:

Den 1: Milton Howe, Wolf Badge with Gold Arrow, Denner; Richard Mann, Assistant Denner.

Den 2: Jud Carter, Gold Arrow on Wolf; Kenneth Sheerin, Gold and Silver Arrow on Wolf, assistant Denner; Stephen DeMaria, Denner; Vincent Sheerin, Bobcat.

Den 3: Ronnie Brown, Bear Badge; Bill McGuire, Gold and Silver Arrow on Wolf, Assistant Denner; Rob Anthonisen, Bear Badge, Gold and two Silver Arrows, Denner, year pin; Charles Schrader, year pin.

Den 4: Richard Hanlon, Bear Badge; Bob Hudson, Silver Arrow on Bear; Jack Doty, Silver Arrow on Bear; Michael Halloran, Silver Arrow on Bear.

Den 5: Grant Shuey, Bear Badge; John Dodge, Bear Badge.

Den 6: Peter Stocker, Wolf Badge; Dick Allen, Wolf Badge; Phil Nuffer, Wolf Badge, Denner stripe; Allen Dahlstrand, Gold Arrow on Wolf; Robin McIntyre, Assistant Denner stripe.

Den 7: Jack Stevens, two Silver Arrows on Wolf; Michael Donovan, Silver Arrow on Lion; George Kimball, Gold Arrow on Wolf; Frederick Honnold, Gold Arrow on Wolf; Tommy White, Silver Arrow on Bear.

Den 9: Bob Connolly, two Silver Arrows on Wolf; Charles MacQuiddy, Gold Arrow on Bear; George Mulks, Silver Arrow on Wolf.

Den 9 welcomed George Fraser, who transferred from Marin.

Theme for the month is "Railroading," with the dens preparing skits for the April meeting on the subject.

Each boy's project during the month will include a Strombecker Railway Car Kit. All the kits will be assembled and exhibited at the meeting by dens.

The May pack meeting will be the annual Father and Cub banquet.

Rotarians to See Gardening Movie

Stewart Wade of Orchard Nursery will show a colored movie on horticulture to Orinda Rotary next Wednesday noon at the Willows. Bill Seroy is program chairman.

Remarkable colored pictures taken by Ken Morrish when he, his wife and two sons made an extended pack trip in the King's River country to the foot of Mt. Whitney last summer, gave Orinda Rotarians a generous share of spring fever at their meeting Wednesday noon.

In the absence of President Frank Olsen, Dr. Jim Wasley presided.

Girl Scouts Take Sketching Hike

Mrs. Charles M. Fish of Sleepy Hollow accompanied eight girls from Troop 35 on a sketching hike.

To learn identification of our local trees each girl made several pencil sketches of bay, acacia, poplar, oak and elm

This activity will apply toward the Girl Scout "Rambler" proficiency badge.

"Now Is Christ Risen"

Rev. Stuart Leroy Anderson, B.D., M.A., D.D.,
Young President of the Pacific School of Religion,
Berkeley

THE COMMUNITY CHURCH
EASTER MORNING SERVICE

Rev. Fred R. Morrow conducting worship. Margaret Popovich leading two vested choirs with the organ and instrumental ensemble.

10:30 at the ORINDA THEATER

You are invited to Easter worship as a guest of the area's largest and most beautiful theater.

Community Church Sign Ready To Be Erected at Road

Orinda Community Church's hand-carved, redwood sign, long planned as a directive marker, is now ready for erection, Mrs. Helen Drews reported to the Orinda Association's Civic Affairs Committee Monday night.

Before the sign goes up at Irwin Way off San Pablo Creek Road, however, Rev. Fred Morrow of the church wants to confer with a delegation of the Orinda Association as to the best possible exact location, Mrs. Drews said.

IT WAS DECIDED to recommend favorably to the association directors that the church sign be placed, and to ask the directors, who meet next Monday night, to get together with Rev. Morrow for decision as to the spot for the sign.

Advice of the association was being sought, it was explained, because of proximity of Community Center property, which is maintained by the association, and church property.

DURING DISCUSSION it was mentioned that confusion might result in the minds of people, particularly newcomers, over two signs, the church sign and the present Community Center sign, at the same approximate place, and over the fact that the Community Center property is as yet only land.

There was no opposition to the church sign, but it was felt that people should be clarified as to the distinction between the Community Center project and the Community Church.

Christian Science Text For Sermon Announced

"Matter" is the subject of the Lesson-Sermon to be read in all Christian Science churches on Sunday, March 25. The Golden Text will be taken from Psalms 81: "There shall no strange god be in thee; neither shalt thou worship any strange god. I am the Lord thy God, which brought thee out of the land of Egypt" (9, 10).

Citations from the Bible and from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, comprising the sermon, will include the following:

Mark 3:1, 2, 5: "And he entered again into the synagogue; and there was a man there which had a withered hand. And they watched him, whether he would heal him on the sabbath day; and they might accuse him. And when he had looked round about on them with anger, being grieved for the hardness of their hearts, he saith unto the man, Stretch forth thine hand. And he stretched it out; and his hand was restored whole as the other."

Science and Health: "Jesus was the highest human concept of the perfect man. He was inseparable from Christ, the Messiah, — the divine idea of God outside the flesh. This enabled Jesus to demonstrate his control over matter" (p. 482).

LEGAL NOTICE

In the Municipal Court of the City Of Oakland
County of Alameda, State of California
SUMMONS
Action No. 8753

MERCHANTS COLLECTION ASSOCIATION OF OAKLAND, in which firm name and style George B. Fink is doing business.

Plaintiff

vs.

ARTHUR F. SISTERNA, HARRIET SISTERNA, also known as MRS. ARTHUR F. SISTERNA, First Doe and Second Doe

Defendant

THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETINGS TO:

Arthur F. Sisterna, Harriet Sisterna, also known as Mrs. Arthur F. Sisterna, First Doe and Second Doe,

YOU ARE HEREBY DIRECTED TO APPEAR AND ANSWER the Complaint filed in an action brought against you by the above named Plaintiff in the MUNICIPAL COURT of the CITY OF OAKLAND, County of Alameda, State of California, within TEN days after the service on you of this Summons—if served within said County, or within thirty days if served elsewhere.

YOU ARE HEREBY NOTIFIED THAT UNLESS YOU SO APPEAR AND ANSWER as above directed, the said Plaintiff will take judgment for any money or damages demanded in the Complaint as arising upon contract, or will apply to the Court for any other relief demanded in the Complaint.

Given under my hand and seal this 17th day of November, 1950.

Reading Room —Wed. 12-3

WONDERLAND is where Dons and Donnas may hove thought they were even before the recent "Through-the-Looking-Glass"-motif Soph Hap at Acalanes High. Just for a gag, some of the students announced the event in this fashion. Yep, there's "Alice," played by a so-called "imported Hollywood beauty" (rumored to be Darrel Crossman, football-playing sophomore class president). The lads vying for "Alice's" favor are, left to right, Jim Small, Dave Cranston and Alan Ruff. — Acalanes Blueprint photo.

Choral Work Presented at Church

Balanced and capable choral work, indicating thorough training and comprehension of the script, characterized the presentation Sunday evening of Dubois' "Seven Last Words of Christ" by the choir of Orinda Community Church.

The greatness of the theme and the evident sympathy of the rendition brought forth an immediate attentiveness in the congregation which filled the building to its capacity.

The accompaniment received special depth and color from the partnership of Mrs. C. P. Baker at the memorial pipe organ and Dan Popovich at the piano. Soloists chosen from regular members of the choir demonstrated the adequacy of Orinda's musical resources.

Teamwork, sincerity and spiritual grasp of the music and text, carefully inculcated by the director, Mrs. Popovich, more than compensated for less technical training in the solo work of Elizabeth Miles, Edmund Richard, Odette Weatherbe, Stanley Hunn, Kenneth Courtright and James Hupp. The director's own skilled rendition of the opening soprano solo, "All ye people," set a high and memorable standard for all that followed. The climactic blending of instruments, ensemble and solo voices in the seventh and final word was most capably handled.

It is hoped that the cantata will become another tradition among those already established in the program of this excellent—and constantly improving—choir. With the offering given in response to their able achievement its members have started a fund for the enlargement of the memorial organ, a project which they hope to complete when the organ is moved next summer to its new location in the permanent chapel.

LEGAL NOTICE

NOTICE OF CONSIDERATION OF APPLICATION FOR A LAND USE PERMIT BY THE CONTRA COSTA COUNTY PLANNING COMMISSION UNDER PROVISIONS OF ORDINANCE NO. 382

NOTICE IS HEREBY GIVEN that the Contra Costa County Planning Commission will give consideration to the application of Richard A. Fayram for a use permit.

Said application is to modify provisions of Section 4 Subdivision A Subsection 3 of the provisions of Ordinance 382 as hereafter set forth, nabely: to resubdivide these two lots, both will be less than ½ acre in area.

Property is located on the following maps which appear as Subsections 26 of Section 3 of Ordinance 382.

Brief description of property: Lot 259 and 260 Sleepy Hollow, Orinda area. (Both lots are less than ½ acre in area at the present time, this will be moving the lot line between the two lots to give more outdoor living area for Lot 260.)

The time and place of said hearing will be in Room 210 Hall of Records, Martinez, California, April 3, 1951, 8:00 P.M.

Welcome to the **EASTER SERVICES** *of Your Church*

Stuart Anderson To Be Easter Service Speaker

President Stuart Leroy Anderson of the Pacific School of Religion is the guest preacher at Orinda's Community Church Easter morning service at the Orinda Theater Sunday at 10:30.

Dr. Anderson, who was recently inaugurated as head of the Berkeley institution following outstanding pastorates in Los Angeles, Glendale and Long Beach, will use as his sermon theme, "Now Is Christ Risen."

The Easter services, of which this year's will be the seventh, have become distinguished in the area for their setting, music and spiritual quality. Two vested choirs under the direction of Margaret Popovich will be accompanied at the organ by Virginia Baker and by an instrumental quartet. Conducting the worship is the Rev. Fred R. Morrow.

The cathedral-like setting prepared by Nettie Blalock will center the attention of worshippers on a flower-decked white altar, before which will be placed memorial Easter lilies .

The Junior Choir will sing "Praise We Our God" by Vulpius. Senior choir music includes a selection from Gaul's "Holy City"—"They that sow in tears shall reap in joy," and "Alleliua"by Randall Thompson.

With Frances Groves as soprano soloist and accompanied by organ and orchestra the two choirs are to sing Malotte's "Lord's Prayer" in a special arrangement. "Vision" by Ganne is the offeratory selection by the instrumental ensemble. At the organ Mrs. Baker will play "Jesu help us" and "Now thank we all" by Karg-Elert "Hark, a voice saith," by Bach, and "Arioso" by Handel.

Boys and girls old enough to sit quietly through the hour are invited to attend and to be seated with their parents. Younger children will be cared for at the church Children's Unit. Since the capacity of the theatre was reached in last year's Easter service, it is suggested that those planning to participate arrive well before the time of starting to be assured of seating.

On Business Trip

Lance Barden, 119 Orinda Highway, has been in Southern California on a business trip.

NOTICE OF CONSIDERATION OF APPLICATION FOR A LAND USE PERMIT BY THE CONTRA COSTA COUNTY PLANNING COMMISSION UNDER PROVISIONS OF ORDINANCE NO. 382

NOTICE IS HEREBY GIVEN that the Contra Costa County Planning Commission will give consideration to the application of Carl D. Dame for a use permit.

Said application is to modify provisions of Section 4 Subdivision F Subsection 5 of the provisions of Ordinance 382 as hereafter set forth, namely: to have side yards of 10' and 10' (Odd shape of Lot requires 10' side yards).

Property is located on the following maps which appear as Subsections 26 of Section 3 of Ordinance 382.

Brief description of property: No. 171 Moraga del Rey on El Camino Moraga Unit No. 2, Orinda area.

The time and place of said hearing will be in Room 210 Hall of Records, Martinez, California, April 3, 1951, 8:00 P.M.

G. F. McCORMICK, Secretary
Contra Costa County
Planning Commission
O-77, Orinda Sun, March 23, 1951.

Choir to Sing Missa Cantata Easter Sunday

The senior choir of Santa Maria Church under the direction of Mrs. Eda Scatena Lippi with Robert Bold as organist will sing Missa Cantata at the 10:30 Mass Easter Sunday.

The program is as follows: Prelude — Filii et Filiae — Palestrina, Mass of the Shepherds, Pietro Yon, and Offertory, Regina Calli, C. Rossini.

The members of the choir are Rosita Boyen, chairman; Lucia Ghiglieri, Elayne Scallard, Rose Ann Conrad, Alvoid Scallard and Jack Rechtiene.

Fellowship Plans Easter Service

The annual Easter Sunrise Service will be presented next Sunday morning at 7 a.m. on the hill adjacent to the Community Church by the high school Pilgrim Fellowship.

The service will be opened by Jim Hall with a trumpet salutation from the hilltop.

The service will include the traditional Easter hymns and the Easter story as told in the Gospels. Those participating in the service will be Jim Hall, Bob Wickman, Dave Barrows, Bob Diehl, Christine Winters, Carl Drews, Catharine Monroe and Judy Hall.

Land Use Pleas Get Planners' OK

Application of Elsie D. Miller for a permit for a five-foot side yard on Lot 26, Acacia Drive in Orinda Estates, was given favorable recommendation by the Planning Commission Tuesday night.

Request for the permit was made on the basis of the topographic condition. The property is approximately 144 feet from Hacienda Circle, in an R-S district.

The commission also recommended granting of a permit to T. D. Courtright for a 10-foot setback for bath house and garage on La Madronal in Orinda Park Terrace, an R-A district.

JOAN SCHWAB, daughter of Mr. and Mrs. Lewis E. Schwab of 144 Overhill Road, celebrated her seventh birthday on March 9. The children played pin-the-tail-on-the-donkey and other games and had a wonderful and gay time.

Easter Rites for St. Stephen's at Community Church

Easter Sunday services for St. Stephen's Episcopal Church will be held at Orinda Community Church.

Holy communion is set for 9:30 a.m., the regular sermon, choral music and communion for 11. At 4 there will be baptismal services.

The church board thanks Rev. Fred Morrow for the use of Orinda Community Church by St. Stephen's.

After Easter Sunday, St. Stephen's services will be at 55 Orinda Highway.

Sherwood Thatcher and the choir have prepared a special program of inspiring Easter music for Sunday.

Dr. Frederick A. Schilling will deliver the sermon.

Moraga Highway Bid-Date Apr. 16

Accepting of bids for resurfacing and widening of Moraga Highway was set Monday by the Board of Supervisors for 3 p.m. April 16.

The work, for which the county has budgeted some $40,000, will be from a point 350 feet southeast of the Crossroads down to Glorietta Boulevard.

Total length of the project will be 7,630 feet.

Cubs' Ball Game At 10 Tomorrow

Orinda Cub Pack 52 baseball nine will play the first league game of the season at Glorietta School tomorrow at 10 a. m., against Pleasant Hills Pack 45.

Everyone is welcome to the game. Bill Huston has been coaching the Orinda team, with the assistance of a number of fathers.

I'm Frank ...

when I say that the Rotary Club Field Day to be held May 12th is going to be one of the biggest events for the kids of Orinda that our fair town has seen in many a moon.

All over the world, during the month of May, over 7,100 Rotary Clubs are sponsoring many types of programs for the youth of this country and their community. This Field Day is the part that the Orinda Rotary Club is playing in this International program.

From all appearances, it looks as though it will develop into an annual affair. The medals that are to be awarded for first, second and third places are really beauties and will be displayed at the Orinda Theater and the American Trust Company.

The list of events will include speed running, high jump, broad jump, sack races, three-legged races and throwing contests. Also, the boy or girl who scores the most points will have his or her name inscribed on a bronze plaque which will be displayed at the Orinda School, and to it each year a new name will be added for the person who acquired the highest number of points during the Rotary Field Day for that year.

The proceeds of this affair will be donated to the Orinda Mothers' Club, to spend as they see fit around the schools.

Don't forget May 12th. Come on out and cheer the kids along.

"ME AND ME GANG" of hardware thugs went to a meeting conducted by the California Spray Chemical Company, and we "loined" all about gardening. You probably know this company better by the name of their products "Ortho."

We learned all about worms, insects and plant diseases and, after I found out what those boys have in store for these pests, I'm awfully glad I'm a human (you notice I didn't says "human being." If I had — well, I'm afraid Bob Nordquist, the taxidermist on Moraga Highway, might want to try some new experiment with "you know who" as the subject.)

The best "gimmick" we discovered has to do with the reason so many of us amateur gardeners have poor luck getting our plants started well and healthy.

Mr. Ortho says if you take "Botano" dust (and you can buy it at Orinda Hardware. of course) and put a small amount in the package of seeds you intend to plant and then shake it well to cover the seeds with dust, and again dust over them before you cover the trench with soil, your seed will be protected from worms, insects and diseases lurking in the soil. This will give them a good healthy start, and the chance to become a fine, ripe "tamada" or a beautiful "pectoomia."

Well, I'm going to try it on the next package of "Khrissamther-?" ("Chrissyanthmum"!! - "Criss - -") ahem! on the next package of daisies, that is.

"ORTHO-GRO" is a new product you will hear a lot about this year. I'm sure you will find it to be one of the finest fertilizers your plants have ever tasted. It will make everything grow better — well, almost everything. It just won't grow hair, no matter haw hard you try (darn it!).

However, I found out, after trying it, that it doesn't have that "after odor" that other fish fertilizers have, and Wilma lets me stay in the house after using it. Also, "Ortho-Gro" mixes more readily with water than some of the other fish fertilizers, because it is in liquid form, and not in a paste form.

Did I tell you that you can buy "Ortho-Gro" at Orinda Hardware? Well, you can. In fact, we have a nice "fresh" supply. Whew!! you can say that again! Ortho-Gro" is perfect for all types of plants, but it is more than perfect for lawns, camellias, begonias and azaleas. You can watch them grown with "Ortho-Gro."

I GUESS THERE isn't a garden pest living that the Ortho people haven't studied and perfected a poison for — except, probably, for the pests that think they know something about gardening and don't, and then try to write about it. Ahem!

Well, anyway, when you think of insects, think of - - - (oops, I almost said, "Think of me"). Let me put it this way:

Orinda Hardware has a very complete department of garden supplies and especially fertilizers and insecticides; so, when you have a problem with your garden, come in and see us insects. We'll name the poison, because . . .

Your Garden

Charting of War Against Garden Pests Can Make 'Who Dunnit?' Needless Query

By BERT WRIGHT

IT'S AS IMPORTANT to know when the enemy will strike as to know what he looks like. Prepare your strategy early and have a better garden all year long.

Here are some "hows" you should know as well as the what, when, and where of the garden "Who Dunnit?"

Now, just what do you do about insects when they arrive?

FIRST, you check over your spraying and dusting equipment. Make sure the sprayer is in good working order. Washers may need softening or replacing. See that tanks are clean, that nozzles are free and in good condition. So much is basic, anyway, in the care of garden tools.

If you lack a suitable sprayer, buy the best one, with the best available nozzle, your garden requires. A hand duster will be most useful, too.

SECOND, you check your insecticides and fungicides.

For dusting vegetables on a plot not more than 2,000 square feet, five pounds of a good rotenone dust preparation will do. For spraying vegetables, a couple of pounds of 1½ percent rotenone and sulphur compound will be ample.

For a good size flower garden, a medium-size kit of good three-way spray will do the trick.

SO MUCH for the weapons and ammunition.

Now how do your plan your war and get it started? Here are a few pointers that will help you.

MIX SPRAY solutions carefully, following manufacturer's directions. And obey any special instructions. Work according to a plan. It saves time, avoids errors.

Don't fuss and worry about your gardening. Make up your mind what is the best course of action with any given crop and then stick to it. Few plants need any babying.

KEEP WEEDS out of the garden. Start weeding early and continue late. Weeds are unsightly, yes, but, worst of all, they compete with the plants and keep them from doing their best.

What goes for seeds goes often, also, for all plants — flowers, too — whether started from seeds or not.

CONSIDER, finally, that people are impatient. They want lots of results in quick time, achieved in the easiest way. Here, then, is a plea for patience, foresight, for more careful gardening. For less planting and more growing.

Take time occasionally to back off and look at your garden. Don't get so you can't see the garden for the plants or you won't have any fun.

Garden this year so that next year's garden will be better than ever. It's a year 'round hobby.

Do you realize how much it costs when you go through the Tunnel to shop?

Mt. Diablo Dog Trial April 22

The Mt. Diablo Dog Training Club, Inc., will hold its fourth annual American Kennel Club Licensed Obedience Trial on Sunday, April 22, at the Walnut Creek City Park.

All entries must be in by April 9. Entry blanks may be obtained by writing to the Mt. Diablo Dog Training Club, Post Office Box 1174, Walnut Creek, and they should be returned to the same address.

Interest in obedience training has grown so rapidly that a larger turnout than ever before is expected. Premium lists have been sent to over 500 handlers and exhibitors throughout the west.

Obedience Trial Secretary Ted Barcelon has announced that the judges for this event will be Scott Roberts, North Hollywood, and Kenneth Dyer, San Francisco, both judging Novice A; William F. Johns, head of the Guide Dogs for the Blind in San Rafael, judging Open A and Utility, and Albert Wahl, of Echo Springs Road, Lafayette, judging Novice B and Open B.

Spectators are invited to enjoy this all-day event free of charge.

Don Track Teams Scuttle Pirates At Local Oval

Pittsburg's Pirates weer scuttled by the thin-clads of Acalanes last Friday afternoon when they went down to defeat in the meet held on the Acalanes oval.

The final varsity tally showed the Dons out in front 72-41, while the Bees came through 61-43.

THE VARSITY meet found the Dons copping 10 out of a possible 13 first places and setting four new meet records in the process.

Eddie Broome hit 19 feet, 9 inches in broad jump, Darrell Crossman rambled the 220 in 23.5, Jerry Coad stopped the clocks at 21.7 in the low hurdles and the relay quartet consisting of Darrell Crossman, Bill Matheson, Ed Broome and Joie Pearson showed a fast 1:34.5 in the relay.

PITTSBURG registered a win in the half-mile when Bill Weidemeyer did the two laps in 2:06.7.

In the discus Sam Dawson hit 107 feet, 4 inches for top honors to aid the Pittsburg cause, while Ed Briggs ran a fast mile to set a new meet record at 4:53.

DARRELL CROSSMAN was high for the meet with wins in the 100 and 220 and a share in the relay win.

In the Bees, new meet records were the rule rather than the exception, with six marks falling by the wayside.

Bill Hansard of Acalanes set an 8.2 mark in the 75 and another new mark in the 150 at 16.1.

AL GUTIERIEZ of Pittsburg really went up into the air as he cleared 5 feet, 5 inches in the high jump.

Bill Cooper of the Dons hit 14.8 in the hurdles, while Bill Hansard, Al Culp, Bill Cooper and Ed Ambrose set a 48.3 mark in the relay, to round out the day's record-smashing performances.

This week the Dons do double duty as they travel to Antioch for a meet today and tackle the El Cerrito Relays at El Cerrito tomorrow.

SPORTS

Former Don Athletic Stars Now Doing Their Stuff on Uncle Sam's Big Team

By ERWIN MATTSON

NEWS FILTERS IN regarding former Acalanes Dons, including many who were standouts as athletes while wearing the Blue and White.

George Cockerton is the number one catcher on the Oregon Frosh baseball team after having lettered earlier in the year on the football team as the number one guard.

Rumor also has it that George is headed for the service come June.

Don Ferrarese, all-around athlete of a few years back, is home on a 12-day furlough from Army duties. One his return, it's Camp Stoneman and from there it's anybody's guess.

Bill Rupp heads for advanced training in Kentucky as a member of an air-borne group.

It should be about time for Jim Forni, a tackle on the 1949 football team, to be heading home for a spell.

Jim has been with the Marines in Korea for a good many months now, and has been in the midst of everything.

Ken Jones is home on leave from the Navy and reports back soon for carrier duty.

One thing the Navy has plenty of is athletics, with everything from badminton to football and crew races in which heavy, cumbersome "whaleboats" are used.

Ken intends to take a crack at baseball and should do O.K. He compiled a fine record as a varsity third baseman and excels as a hitter, fielder and baserunner.

IT APPEARS on the basis of records to-date that Mt. Diablo High has one of the better baseball teams in the circuit.

Blessed with veteran material and better than average pitching by Paul Stafford, the Red Devils could end up in the winner's circle.

The Dons are a green club but have been improving with each game

Varsity Basketball Letters OK'd

The Acalanes Student Council approved the granting of block letters to the varsity basketball players in a meeting held last Friday.

Coach Lee Arth presented a list of nine players who had compiled the necessary points for the school letter award.

The nine, as approved, were:

Bob Borghesani, Bob Diehl, Bob Fox, Bob Kleckner, Bob Winkenbach, Roger Linn, Bill Littlefield, Art Siler and Richard Ting.

Awards will be made at a student assembly in the near future.

Don Swimmers Aim for Crown

Coach Leland Arth has released his swimming schedule for the Acalanes High paddlers.

Perennial winners of the county title, the Dons figure to repeat again in 1951, with Mt. Diablo High providing the best competition.

The schedule started off with a contest last week, afternoon, Livermore at Acalanes, with the Dons far outclassing their opponents.

Remainder of the schedule follows:

March 28, Hayward, here, 3:30 p.m.
March 31, Cal Frosh at Berkeley, 10 a.m.
April 4, Palo Alto, there, 3:15 p.m.
April 11, Berkeley High, here, 3:30 p.m.
April 17, Modesto High, there, 3:30 p.m.
May 7, U. C. Frosh and Diablo, at Concord, 3:30 p.m.
May 9, County Meet at Diablo, 2:30 p.m.
May 12, North Coast Meet, at Berkeley, 10 a.m.

Varsity Shapes Up for Baseball League Contests

The Acalanes baseball nines hit serious play week after next, as far as the varsity is concerned, with the start of League play.

Albany High is the first league opponent, with the game on April 6 set to get under way on the local diamond at 3:15.

LITTLE IS KNOWN about the Albany team except that it has a habit of fielding good teams.

The Dons' practice record to date has been anything but impressive, but out of a considerable shifting of players has come a nine which promises to give a good account of itself.

RICHARD TING, Bob Borghesani and Bob Westlund appear to be the best pitching prospects, while Dick Fey and Andy Monsen are slated for duty behind the mask.

Bob Fox looks like the best bet at first, with Jerry Henderson developing fast at second.

Johnny Bowron shows real possibilities at third, while Gregg Williams and Mike Klement are battling it out for the shortstop job.

BOB WINKENBACH and Jerry Macauley are slated for the outfield, with the third spot wide open and depending on player performance in the remaining days of practice.

Here's Don 3-Way Baseball Schedule

Lafayette Playshop Will Present 'Blithe Spirit' at Benefit Shows

"Blithe Spirit," an improbable farce by Noel Coward, will be the spring production of the Lafayette Playshop, to be presented on April 13, 14, 20 and 21 at the Town Hall.

The new Lafayette chapter of the Mt. Diablo Child Therapy Center is sponsoring the play, and the proceeds will go to that organization for aid of the center.

"Blithe Spirit" is Noel Coward at his clever best. It is a sophisticated comedy in three acts, with crackling-good dialogue from the first scene to the last curtain.

Critics and audiences who viewed the play on the London and New York stages praised its humor loud and long. The movie version was another smash hit. It's a play that comedy fans look forward to seeing a second or third time. The gesticulations of medium Madame Arcadie, who rides a bicycle and who tosses off a Martini or a cup of Ovaltine with equal relish, and the gay, flippant remarks of the spirit Elvira provide chuckles that are good for a lifetime.

So for top entertainment around town in the month of April, count on "Blithe Spirit" and look forward to a rollicking evening of fun.

2 Card Section Groups Gather

A group of the Lafayette Forum Card Section met last week at the home of Group Chairman Mrs. L. C. Kennedy, Solana Drive.

Members attending were Mesdames Cortlandt Bacon, Irwin D. Miller, E. W. Deemer, R. Roberts, Earl Cappel, J. P. Herrmann and L. H. Luedemann. Plans were made to meet again on April 20 at the home of Mrs. Luedemann.

In the evening another group, under the chairmanship of Mrs. Bryce Simpson, met at the home of Mrs. John Whitehouse, Solana Drive. In attendance were Mesdames John Doane, Victor McFarland, George Neill, Irwin Miller, Kenneth Bone and Melvin Cecchini.

Berven to Speak On Resurrection

"Did Christ really rise from the dead?"

In answer to this question, Pastor Luther Berven of Our Savior's Lutheran Church in Lafayette says, "Let the actions of the disciples speak to us of the 20th century. On Thursday evening when Jesus was taken prisoner, the disciples ran for hiding places like frightened rabbits; even the bold and impetuous Peter denied Jesus three times. After the Resurrection, ten of the eleven gave their lives as martyrs: John who died in exil on the island of Patmos was the only one who died a natural death. The others suffered untold torture and finally death rather than deny their crucified and risen Lord."

On Easter Sunday Pastor Berven will speak on the Resurrection of Christ, using as his theme, "The Event of the Ages." Services will be held at 8:00 a.m., 9:30 a.m., and 10:45 a.m. These services will be identical except for the special music; the Junior Choir will sing at the 9:30 service and the Senior Choir at the 10:45 service.

The Women of the Church are sponsoring a bake sale to be held at the Lafayette Dime and Dollar Store tomorrow.

Service Today at Methodist Church For Good Friday

The Good Friday Afternoon Service at Lafayette Community Methodist Church today will begin at 1 p.m.

"On the day that we celebrate the death of Jesus, we come to worship and share our fellowship so that we can better understand the sacrifice of Our Lord," Rev. Harry Shaner and Bishop George A. Miller, the pastors, point out.

Bishop Miller will tell the story of "The Trial of Jesus."

Mrs. Clifford Leach will be at the organ. Roberta Dellett will sing "Calvary" by Rodney and Rev. Shaner will preside.

Sing '7 Last Words' Tonight

"The Seven Last Words" by Dubois will be presented by the Lafayette Community Church choir tonight, Good Friday evening, at 8 o'clock, under direction of Oscar Busch.

Meta Leach, organist, will play prelude music, "Benedictus," by Max Reger, and Margaret Webe will be pianist. Soloists are Clar Floyd, Charles Timoney and Lowel Arbogast.

Members of the choir includ Carol Creager, Roberta Dellett, Edith Lynn, Patricia Meyers, Josephine Shoptaugh, Kathryn Trembath, Ann Westfall, Mary Westfall and Winifred Wilson as sopranos Altos are Bernice Anderson, Edna Collins, Betty Arbogast, Pearl Nesbitt, Ruth Timoney, Lucca Fredman, Barbara Weber, Sigrid Webber and Dorothy Zitt. Tenors are Edwin Floyd, Jack Inman-Kane and George Shoptaugh, while the bass includes Keith Lynn, Henry Schultze andi Carbon Weber.

EASTER CONCERT

An hour of Easter music will be presented at Woodminster Amphitheater in Joaquin Miller Park Easter Sunday afternoon at 3 o'clock.

GOP Women Hear Mrs. Wilt Talk On School Books

"After Federal Housing, Federal Education is the most dangerous step in the direction of socialization," stated Mrs. W. G. Wilt at the meeting of the Lafayette Women's Republican Club at Lafayette Community Church Monday.

"Having promised all the children in the land an equal education, the next and obvious step, is the promise of equal food and clothing. Having already promised him housing, there is no need for personal initiative from the cradle to the grave."

At another point in her talk, Mrs. Wilt, a member of the Daughters of the American Revolution and Americanism chairman for the local Republican Women, read from the Congressional Record of the 81st Congress a quotation read into the record at a hearing on the Public School Assistance act of 1949:

"We must haul down the American flag, and if I wanted to be vulgar and shocking, I would go even further and say, haul it down, stamp on it and spit on it!" The statement was attributed to Professor Milton Mayer of the University of Chicago, originally of the "Great Books Series" which is in use at Acalanes High School, among a great many other schools in the country.

Mortimer Adler, present sponsor of the series is also a professor from the University of Chicago, Mrs. Wilt stated, and while most of the books on the list are old favorites, as the series progresses, an increasing number of slanted ones intrude, so that the complete series constitutes a "softening up program" for subversive ideology.

The group was invited to attend a meeting in April of the Orinda Women's Republican Club, when they will present their report on subversive books in our schools. Mrs. Wilt and Mrs. Charles R. Smith will organize a similar study group in the Lafayette unit, and announce that anyone interested in being on the panel will be welcome.

Here and There in Lafayette . . .

Scouts Study Radio, Electricity

The first class in radio and electrical instruction for the members of Boy Scout Troop 204 who are interested in this type of work was held last week in the Morris Hunt Slater Cabin.

A series of meetings along these lines will be offered the boys during the remainder of the school year.

Under direction of Committeeman W. A. Peterson, the scouts will have an opportunity to learn the fundamentals of both electricity and radio. Through their work in these groups, the boys will be able to earn their merit badges in these subjects, and those scouts especially interested will receive more advanced instruction.

According to Scoutmaster Seth Blakeman, any scout of the troop may join this class, which will meet every Thursday evening.

Cub Packs Busy On Paper Drives

Synonymous with Spring each year are the paper drives held by local cub packs who work busily to supply additional funds to their packs in this manner.

Lafayette Cub Pack 38 is planning its drive for March 31 and April 1, and cubs are contacting neighbors and other townspeople now in order to have a record load of material ready for the pickup truck.

Lafayette Cub Pack 78 is starting on its Spring paper drive which will continue until the first part of May. Planning to exceed the tremendous tonnage of paper collected in the last campaign, the boys are asking anyone with old newspapers or magazines to keep them in mind.

For easy handling, papers and magazines should be tied separately in secure bundles about 12 inches high. Contact any cub scout in your neighborhood if you want your papers picked up, they'll be only too glad to have this help in their campaign.

Shop at home — and save.

Tom Hageman Performs With S. F. Symphony

The special concert for children presented in San Francisco Opera House Saturday was highlighted especially for local youngsters who attended by the appearance of Tom Hageman of Lafayette as a guest soloist in the San Francisco Symphony Orchestra presentation.

3 Easter Services at Methodist Church

Easter Sunday at Lafayette Community Methodist Church will include three services of worship and praise at 8, 9:30 and 11.

8 a.m. — This early service will feature a 50-voice Youth Choir directed by George Shoptaugh. Richard Knobel and Jo Shoptaugh will accompany the Youth Choir. A special Easter Sermon will be given.

9:30 a.m. — The Adult Choir under the direction of Oscar Busch, with Meta Leach at the organ, will

provide the choral music. Maxine Kouns will play a violin solo, "Ave Maria" by Schubert. There will be a special Easter sermon.

Church School will be for the preschool department. The other church school pupils will attend church with their parents at one of the three Easter morning services.

11 a.m. — This service will be patterned after the 9:30 service.

If there is an overflow crowd at any of the three services, an amplification is set up in the hall. Easter decorations will be placed in the hall. A leader of music and response will be present in the overflow room.

Pastors are Bishop George A. Miller and Harry E. Shaner.

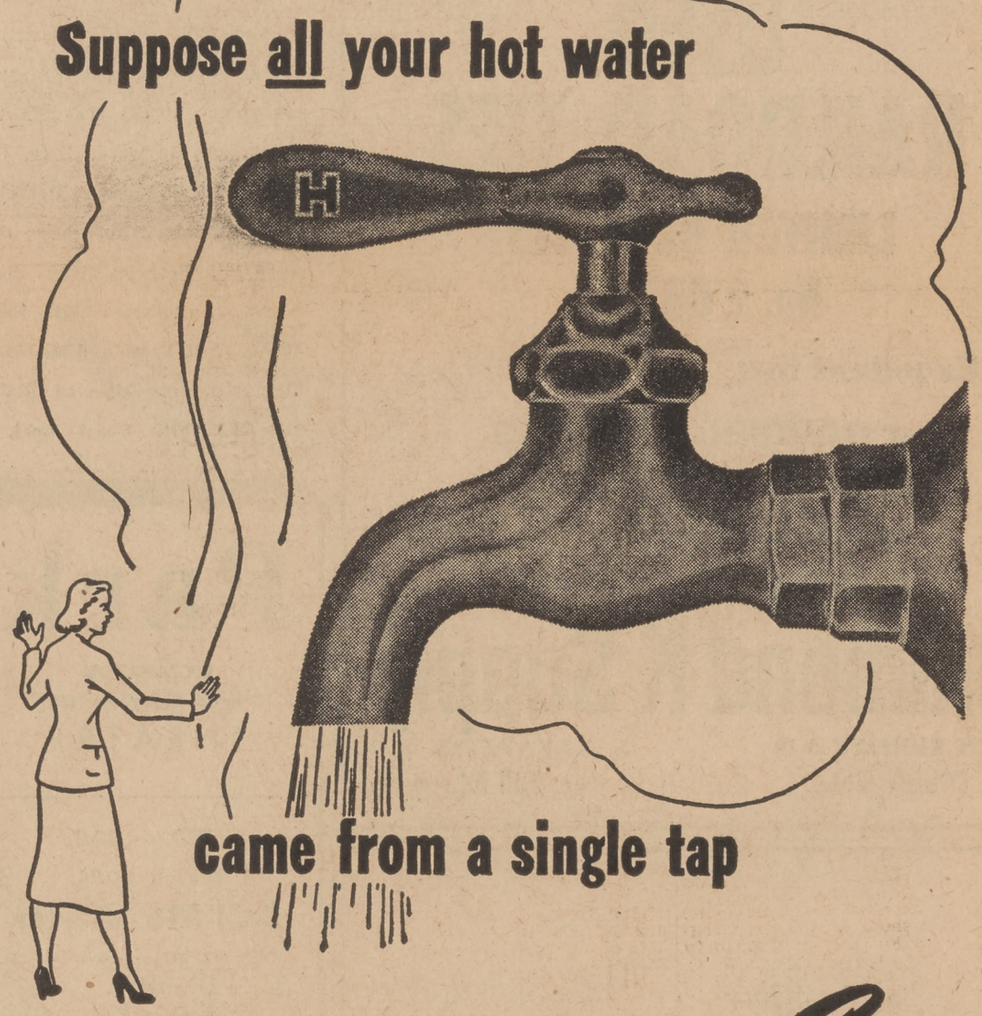
Suppose all your hot water



came from a single tap

If all your daily hot water had to be supplied at the same time from a single tap, it would be a giant in size. But with hot water uses spread over 24 hours a day and in several rooms, it's not a giant tap you need, but an *automatic* Gas water heater *with plenty of storage capacity*. . . . In the average home, hot water is used more than 140 times a day—for baths, dishwashing, clothes washing and all the other household needs. And when your *automatic* Gas water heater is of adequate size, there'll always be plenty of hot water—with no waiting—for all your family's needs. Don't suffer with water that's only half-hot. Check the chart at the right and be sure that *your* Gas water heater is large enough.

Women Plan 'Country Fair' in Orinda

An old-fashioned "Country Fair," featuring fun and frolic for both youngsters and adults, will be staged in Orinda next September with the entire proceeds to be used to construct an Episcopal church serving the Orinda-Lafayette area.

Preliminary plans for the all-day and evening social event, which is expected to attract several thousand San Francisco-Oakland Bay Area residents, were announced today by Mrs. William Maddock, general chairman.

All of the activities will be staged out-of-doors and the event is being sponsored by the Women's Auxiliary of St. Stephen's Episcopal Church.

COMMITTEES are now being appointed and numerous subcommittee meetings are scheduled to convene during April and May.

Chairman Maddock states that highlights of the "Country Fair" will be a barbecue dinner, exhibits of handcraft and home-baked foodstuff, a merry-go-round, pony rides, a puppet show, a dance contest for teen-agers and a classic melodrama with prominent residents of the area in leading roles. Activities are scheduled from 11 a.m. to 11 p.m.

SERVING on the Ways and Means Committee with Chairman Maddock are Mesdames Roy Johnston, William D. Coleman, John D. Van Dyne, William Haluk, C. Fryer and Clinton C. DeWitt.

The preliminary meeting of the group was held at the home of Mrs. DeWtit at 11 La Cuesta.

School Guild Luncheon Planned

Plans are well under way for St. Leo's School Guild to present its annual spring luncheon and fashion show "Model Mothers" at 12:30 p. m., April 10 in the school auditorium.

Mrs. Edward Morrill, chairman of the event announces the following committee appointments: Mrs. Thomas Haas, models; Mrs. William Neuman, decorations; Mrs. Burt Turner, luncheon; Mrs. James Roberts, serving; Mrs. Cyril Gilfether, program; Mrs. Robert Hogan, door prizes; Mrs. George Klement, hostesses.

From all indications this affair should surpass last year's. Information and reservations may be secured from Mrs. Robert Fratus, 920 Wawona Avenue, TW 3-5250.

Plan Stanford Mothers' Fiesta at Breuner Home

Stanford Mothers of the Eastbay will be hostesses to husbands, sons, daughters and friends at a fiesta barbecue to be held at the Richard Breuner home in late May.

Social and Clubs

GO EVERYWHERE in cotton, now an every season favorite. White waffle pique trims the woven plaid of this dress, topped off with a tie-bow collar.

Unsung Heroes Are Serenaded

By EDITH BOLMAN

NOW THAT WE have tooted our own horn so noisily regarding the Children's Hospital Orinda Branch's fashion show at Orinda Country Club last week, we would like to blow a few well-aimed toots toward someone else for a change.

As is always the case in a show like this, the unsung heroes are the ones who really make it a success financially for the Hospital.

FOR INSTANCE, Milt Nelson contributed Danny Van Allen's Willows orchestra, whose swing and sway music eased the models on their way down the aisles.

Podesta and Baldocchi of San Francisco gave us the beautiful camellias for the miniature hat favors. The Orchard Nursery of Lafayette decorated the entry and foyer of the club, and the Worden Travel Agency arranged for the weekend at Feather River Inn.

OTHER CONTRIBUTORS were Fred Goodwin, Black's Market, T. and D. Delicatessen, the Orinda Store, the Orinda Camera Shop, the Cape Cod House, the Tunnel Inn, the Acapulco, the H. E. Larke Company and Black's Market.

We feel very much rewarded that our friends share our interest in the Children's Hospital and are willing to give so generously in order to help little children.

AND NOW FOR the apologies. To those of you who called for tickets after our sellout a few weeks ago, all we can say is that we are very sorry that you weren't able to enjoy it with us.

We appreciate knowing that so many of you are solidly behind our efforts, and we hope we can think of something before next time so that none of you will be disappointed again.

Mrs. Carrie L. Brown Visits Son in Riverside

Mrs. Carrie L. Brown has just returned from a trip to Riverside where she visited her son Jesse. The weather part of the time was not as fine as in Orinda with fog in the morning, and a hot east wind for two days.

Joan Norton Weds Sgt. John Peebles In Heidelberg

HEIDELBERG, GERMANY — Joan Norton, of Orinda, and Sergeant John E. Peebles of Sumter, South Carolina, exchanged marriage vows February 3 at a candlelight service in the 130th Station Hospital Chapel, Heidelberg Military Post.

Lt. Col. Morris C. McEldowney, post chaplain, read the service. Col. E. O. Lee, chief of the budget division, U. S. Armed Forces European Command headquarters, gave the bride away, and James Herring of the Office of the U. S. High Commissioner was best man.

MISS NORTON'S twin sister, Jean, employed by HICOG in Frankfurt, served her sister sa maid of honor. A second sister, Mrs. Barbara Wilson, also employed by HICOG, was present for the ceremony.

The wedding reception was held in the Crystal room of the Harmonie Club, Heidelberg, following the ceremony.

MRS. PEEBLES, a civilian employee of the Comptroller's Division at EUCOM headquarters in Heidelberg, came to Germany in September, 1949. A former student of Santa Rosa Junior College, she is the daughter of Mr. and Mrs. E. A. Norton, 577 Miner Road.

Sergeant Peebles served two years in Europe during World War II, and returned to Germany in August, 1948. He is assigned to 7888 Special Troops at EUCOM headquarters.

Clippers to Hold Garden Meeting

The Clippers will hold a meeting next Friday at 8 p.m. at the Orchard Nursery at Lafayette.

Ernest Wertheim, landscape architect, will enlighten the members on how to make our gardens more beautiful. He will show color slides and also various specimens from the Orchard Nursery.

Members and guests are requested to bring their own chairs and a thermos of coffee. Mr. and Mrs. Kenneth Hauter and Mr and Mrs. Horace Breed will provide the rest of the refreshments.

China's Outlook Subject for Talk

Mrs. Malcolm White gave a talk on China's Outlook for Christian Chinese at a meeting of Section 1 of the Women's Guild of the Orinda Community Church at the home of Mrs. Dwight Chapman, 416 Camino Sobrante, March 15.

Mrs. White's experience in China was most interesting and instructive to all those at this meeting.

In almost all traffic accidents, one or more traffic laws have been violated by motorists or pedestrians.

Countess From Scotland Speaks Here

Mr. and Mrs. Walter S. Nicklas of 200 Moraga Highway entertained the right Honorable Countess of Mayo of Edinburgh, Scotland, recently.

The countess gave a gracious talk to many friends who had gathered for the occasion, as she is president of the movement Truth in Action and founder of many centers throughout England and Scotland. The delightful and charming manner in which she presented her subject with bits of Scottish humor made the evening a thrill to everyone present. A buffet supper was enjoyed by all present.

She fell in love with the beauty of Orinda as Mrs. Nicklas showed her about the countryside. She regretted that her visit could not be longer than a week and promised to return soon.

Those who met her are looking forward to her return visit in the near future.

The countess was introduced on the radio, Station KFRC, by Dr. Ben Sweetland. It was Lady Mayo's first broadcast and she was most thrilled with the experience, as radio time cannot be bought by individuals in the British Isles. A tax is levied on all radios, she remarked.

The countess will take back to the British Isles a most favorable opinion of the reception received in the Bay Area as shown by her many friends.

Present to hear the countess, were, in addition to the host and hostess:

Mesdames Reese Jones, Irene Marshall, Belle Bondurant and Edith Coombs and Mr. and Mrs. George Elvidge, all of Orinda; Mrs. Coombs' sister, Mrs. Eva Williams of Calgary, Canada; Mr. and Mrs. Al Rorstrand of Concord, and the following from Oakland:

Miss Odessa Morris, Mesdames S. W. Gravier, P. Nimrod, Caroline Bozick, Inez Johnson and L. Vermaas, Mr. and Mrs. W. Richards and Mr. A. L. Schenderlein.

Lecture Given By Prudence Penny

The regular monthly meeting of the Orinda Mothers Club was held March 15 at 1:30 in the Orinda School auditorium.

After a short business meeting, an interesting lecture with demonstrations was given on "Food Until Help Arrives." Eve Jolley, better known as Prudence Penny of the Examiner, gave this talk under the auspices of the Canteen Service of the A.W.V.S.

Prudence Penny brought out four main points: 1. Mass feeding in case of evacuees; 2. practical foods to have on hand; 3. cleanliness, and 4. avoidance of panic by having jobs for all, and everyone knowing his job.

Shipmates Will Hear Landscaper

Shipmates, the young couples club of the Orinda Community Church, will hold its regular monthly meeting next Friday evening, at 8 o'clock at the home of Joe and Peggy Creighton, 36 Moraga Via.

According to program chairman Dick Copenhagen, Burton Litton of the firm of Litton and Whitney, landscape architects, has been invited to discuss outdoor planning and planting, always a popular subject, with the group.

Devotions will be lead by Fred and Mildred Twining, and refreshments will be served by Ray and Anne Currie and Bob and Marian Brown.

Restyle Clothing Is Women's Topic

Next meeting of the Orinda Home Department will be Wednesday at 10 a.m. at the home of Mrs. Ben Courant, 224 La Espiral.

The subject will be "Restyling the Wardrobe." Mary Ryon Lerche will lead the discussion. Members are requested to bring problem garments on which to work. Cake and coffee will be served.

Bacons Enjoy Visit in Hawaii

Mr. and Mrs. T. P. Bacon, Jr., spent a week-and-a-half of their first short visit in the Hawaiian Islands at the fashionable Hotel Hana-Maui, situated amidst the lush tropical foliage of the second largest island.

They did everything from the peacock bar to pitch-and-putt golf, croquet, and swimming in the mountain water pool and Hamoa's coral-free beach where the waves are excellent for body surfing.
